

NEW FIRE HALL IS RECOMMENDED

Sweeping changes in Stirling's fire prevention and fire protection facilities are recommended in a 44 page report prepared by the Ontario Fire Marshal's Office.

The report, which followed a survey conducted in the village in the early part of the year, was made public by council on Monday night.

Most costly measure of the 17 recommendations put forward is that a new three-bay fire hall be constructed this year to provide accommodation for one triple

combination fire truck, a water tank truck, a salvage truck, a classroom/meeting room and training accommodations for the firemen, and office accommodation for the chief, deputy and future staff.

The report recommends that the proposed new hall be erected on the west side of North Street, near the intersection of Gore St.

The Fire Marshal notes in the report that the present 90-year-old fire hall is inadequate to accommodate modern equipment, no offices are provided and stor-

age area is minimal. The area outside the hall is too small to allow outside training to take place.

The Fire Marshal also recommends that:

1. The fire department be re-organized under a new bylaw, passed in accordance with a recommended establishing and regulating bylaw.

2. Rules for the department be made and published by the chief, in accordance with standard regulations.

3. The municipal solicitor be

instructed to prepare formal fire protection agreements with the townships of Sidney and Rawdon to define fire areas in the townships, financial terms and the apparatus and manpower to respond from Stirling.

4. A self-contained breathing apparatus rated at 30 minutes duration, with two spare cylinders, be purchased this year.

5. A salvage truck be purchased this year to replace the 1932 model hose truck.

6. Sufficient fire fighters be employed in 1972 so as to provide proper manning of each vehicle.

7. The policy be adopted and a directive issued that the first responding officer to a fire be in charge of the fire fighting operations until relieved of this authority by a more senior officer.

8. Application be made immediately for the chief and deputy chief to attend the Fire Protection Technology Course at the Ontario Fire College on different units over a three successive year period, beginning in 1973. Application should also be made for the other officers of the department to attend the course in subsequent years.

9. An in-service fire department training program be established for the recruit and re-members of the department.

10. A recording device be purchased to record all incoming and outgoing conversations by telephone or radio for alarms of fire or other emergencies.

11. An improved system be established to receive alarms of fire and alert the fire fighters.

12. A stand-by emergency electric power supply be provided for fire alarm equipment and radio.

13. A fire prevention bylaw be passed, based on a list of fire prevention measures provided by the chief and reviewed by the village solicitor with instructions to ensure that there is adequate provincial enabling legislation and that there is no conflict with provincial law.

14. A program of in-service fire prevention inspections be established.

15. All dead-end water mains be looped so as to provide increased gallonage by providing flow from more than one direction.

16. The undeveloped streets designated James St. and Johns St. be renamed before development proceeds.

Copies of the Fire Marshal's report were distributed to all members of council. The matter raised will be dealt with at future meetings.

Exchange program planned once again

Ever wondered what kids in a city do all day, anyway? Ever wished you could show a city friend just how much work goes into getting that milk from the cow to the carton?

Probably you have. But then, did you ever consider how much territory 100 acres is to someone that has to share one acre with several hundred other people? Or how much a dog can mean to someone who doesn't have 75 other animals around all the time.

Wondering, questioning, discovering, and most important, understanding. That's the idea

behind the Urban-Rural Exchange - a program that from its "birth pains" in 1971 has led to learning through doing for the urban-rural visitors and for the program co-ordinators.

Just ask Mac and Orno Sharp of R.R. #3, Stirling about their experiences with the exchange last year. Orno says, "He sure changed my attitude." Mac says "He was interested in learning about everything on the farm."

They both agree that it's understanding between Ontario's rural and urban populations as well as increasing the knowledge of and personal experience of each

other.

About 2,000 of urban Ontario's youth, aged 12 to 15, will apply through their schools to spend a week in July or August on a farm near their homes. Where desired, return visit to the urban community will be arranged by the area co-ordinator for any rural hosts in that 12 to 15 year old range who are interested in sharing the learning aspects of the program.

To achieve the objectives of the exchange, all participants will be expected to be actively involved in the regular life of the host family and the visitor will be treated as a "member" of the family. The purpose of the program is not to create a task force or a holiday, but to expose the visitor to the normal activities of his or her new environment.

Both exchange and host families (urban and rural) will be insured for accident and liability. "Communication" and "environment" have become the catch words of the sixties and seventies. The Urban-Rural Exchange Program offers a chance to find out what they mean by experiencing them, rather than just reading about them in a dictionary.

More information and application forms may be obtained from Peter Dowling, Co-ordinator for Frontenac, Hastings, Lennox & Addington, Prince Edward Counties, who can be contacted through the Agricultural Office in Hastings County at Stirling, telephone 395-3393.

The program originated through the inter-departmental Committee on Youth of the Ontario Government. The Extension and Home Economics Branches of the Ontario Ministry of Agriculture & Food hold the responsibility for activation of the program.

For further details contact: Peter Dowling, Co-ordinator Urban - Rural Exchange, Ontario Ministry of Agriculture & Food, Box 651, Kingston, Ontario, Telephone 389-6211.

The 100th anniversary of the birth of Col. John McCrae, author of the poem "In Flanders Fields" will be marked on Sunday June 11 when all district veterans and Legion members will hold a special church parade.

The Legion will fall in at 9:45 a.m. at Tanner's Service Station. The parade will proceed directly to St. Paul's United Church for morning worship at 10 a.m. Rev. John May will officiate at the church service. Following church, the Legion will parade to the local Cenotaph where a special memorial wreath will be placed. A large turnout of veterans is expected.

Provincial Premier Hon. William Davis has proclaimed Sunday, June 11 as "Colonel John McCrae Memorial Day." The occasion will be observed all across Ontario.

Col. McCrae was born in Guelph and that city has designated as "The Poppy City" where Col. McCrae's home is now a memorial open to the public.

"In Flanders Fields" has immortalized the Poppy as the emblem of Remembrance. The Stirling Legion will do their part in this observance when they attend St. Paul's United Church this Sunday for the 10 a.m. service. Every veteran will wear a poppy in remembrance.

The former office in the Stirling Lumber building closed at the end of May.

Some alterations of the building will be necessary at the municipal office to handle the new agency.

Stirling village council Monday night came out in favor of using a County of Hastings building inspector, rather than employing a person locally.

A letter was received from Carl Bateman, county clerk-treasurer, stating that a number of Reeves had suggested that the county employ building inspectors to cover the various municipalities.

This would provide a uniform approach to enforcing the building code, and the inspectors also could deal with such matters as land severances as well, it was said.

The cost would be apportioned among the various participating municipalities in the same way as the county rate is applied, and the total cost probably would not exceed the combined cost of the

various individual building inspectors now employed by the municipalities, Mr. Bateman said.

Councillor Maurice Faulkner expressed concern that delays could occur if an inspector was tied up in another area when he was needed to inspect a particular project.

Clerk W.L. Pollock sounded a warning that the proposed scheme could become costly, as staff increased. He suggested that the village maintain a local inspector who would work under the supervision of the county man.

Councillor Fred Brandt, however, expressed the view that the idea was a good one and a motion to this effect, put forward by Councillor Edward Klompfner, passed without a dissent.

Mothers and children from the Stirling Co-Operative Nursery School made a visit recently to Loyalist College to see the Nursery School run in connection with the College's Early Childhood Education program. The Loyalist Nursery School program finished the end of May so the children from Stirling were able to explore a new Nursery School environment and the mothers were able to observe the school setup. The two Loyalist teachers assisted Mrs. Bock with the children and gave the mothers an opportunity to meet with Mrs. Betty Eshelby, co-ordinator of the Early Childhood Education program.

There are now 12 Nursery Schools in the Quinte region; five in Belleville, four in Trenton and one each in Brighton, Campbellford and Stirling. One of the Belleville schools is a summer

day care centre established by several graduates of the Early Childhood Education program at Loyalist through an Opportunity for Youth Grant. A Co-Op Nursery School has also been operating in Bancroft since January with the aid of a \$2,000 grant from the federal government's Limited Initiatives Program.

The last meeting of the season for the Stirling Co-Operative Nursery School will be held on Thursday, June 15 in the school room at St. Paul's United Church in Stirling at 8:00 p.m. where information and registrations will be taken. The school will be June 30, 1972. Already 19 parents have indicated interest in enrolling their child next September. The school is licensed to accommodate 20 children and will maintain a waiting list for enrollees in January and March, 1973.

Graduation

Allan Ross Cooke, son of Mr. and Mrs. C. Dan Cooke, R.R. 2, Stirling, received his Honors B.A. in Mathematics (first-class honours) at the June 3 convocation held at Queen's University, Kingston. He has accepted a position as an actuarial student with Crown Life Insurance in Toronto.

Licence bureau still unsettled

Stirling at present is without a motor vehicle licence bureau.

J. E. MUNRO'S PRIVATE POND - ONE OF STIRLING'S BEAUTY SPOTS

Over 100 attend St. Andrew's meeting

With bowls of white and mauve lilacs surrounding the chancel and the sound of soft organ music, the chattering of friendly women was lulled by the president of the Kingston Presbyterian, Mrs. J. Williamson of Trenton, who called and welcomed all, reading a poem by Ann Johnson, "Be Faithful Wherever You Are."

Over 100 members and visitors met at St. Andrew's Presbyterian Church, Mill Street, Stirling on Wednesday, this being the first Presbyterian meeting in 15 years.

Mrs. Earl Cross and Mrs. Norman Whyte of Roslin conducted the devotional service, the topic being "I'm Too Busy." This was followed with the question "Is it more important to serve one's self or go out and do good in God's name?"

Hymn 594 "Rescue the perishing" was sung with Mrs. Harry Morrow, church organist, as accompanist.

Rev. Roy Taylor, minister of St. Andrew's and West Huntingdon Churches, gave the word of welcome, saying, "We are proud to

have you come at this time of the year to Stirling, as this peaceful place is pretty and colorful, the countryside is a mat of green and the day is full of sunshine after that quiet and glorious rain. Surely the Lord is with us. We hope this get-together, with His blessing will be a spiritual uplift for us all."

Mrs. F.B. Sheffield of Belleville read the minutes of the last meeting, assisted by Mrs. McLaren of Trenton, corresponding secretary.

The synodical report of the Presbytery held in Lindsay was given by visitation, Mrs. F. B. Sheffield.

Mrs. Robert Reed reported the hospitality and its values in our meetings. She also had a book display.

Mrs. William Smelling recommended, "As you retire from an office, give your help and knowledge and time to carry on the work to the one who follows you."

A workshop course was suggested, also officers training. It was said our churches need leaders in every capacity.

Mrs. John Wallace, West Huntingdon, invited the group to hold a meeting in their hall. Such date was set for a fall meeting.

Mrs. John Craig of Belleville, treasurer, announced the legacy left by the late Mr. Harper Rollins, Mill Street, in the amount of \$500.00, to the women's missionary societies.

A short period of singing was enjoyed, led by Mrs. Harold Keefe of Trenton.

The ladies of the church served a delicious dinner with Mrs. J.V. Wier of Belleville voicing thanks and Mrs. K. Tompkins replying.

Miss Freda Matthews introduced the guest speaker, Mrs. J.M. Burnett, who holds the offices of President of special education, Administrator of the Gen-

eral Assembly, and is also a member of Presbyterian Council of Women, Toronto, Mrs. Burnett said in part, "I consider an auxiliary to be at the top, and it is up to all of us to keep working in building stronger pillars and firmer foundations to keep that which we are working for above us. We can ask for inspiration from God, a helping hand, a friendly smile, and make our vision of the world beautiful and spiritual."

Mrs. Roy Taylor spoke briefly on children's work.

Mrs. Joyce Bennett, Doris Kenneth Tompkins gathered the collection. This was dedicated by Mrs. Craig.

The members of Tweed W.M.S. gave the closing devotional service, completing with prayer.

A FORUM ABOUT MATURE WOMEN

Old Overlight?
Dear Margaret Brookfield:
I'm 41 years old, but most people guess my age as 28 or 29. Since I do look that much younger, I sometimes think that someday I might just turn old overnight. I really don't worry about it a lot, but it occasionally does cross my mind when I run into friends I haven't seen for years and who are already grandmothers. Can one turn old overnight? Or does it happen gradually? I have four children,

ages 7 through 18 and lead a busy, busy life.
J.M.

Dear J.M.:
The reason people think you might be 28 or 29 is that you're obviously a vital, active woman leading your busy, busy life. That's what keeping young is all about. But there are other factors too. Genetics can play an important role in terms of the kind of skin and bone structure one inherits. (And you're probably fortunate in that respect.)

The state of one's health is important too - the better you feel, the better you look. But the crux of this matter of youthfulness seems to be what the individual puts into his life and what he gets out of it. So, although you can't count on getting any younger, you needn't worry about turning old overnight. Just keep your energy going and that light in your eye and you'll be fine.

Can't Sleep

Dear Margaret Brookfield:
I'm 47 years old. When I was 45, my periods stopped. About that time, I had a bad case of insomnia and could hardly sleep. I still have difficulties but don't like to take sleeping pills. What causes this sleepless condition and what can be done about it?
S.N.

Dear S.N.:
Doctors tell us that when a woman goes into the menopause, her body undergoes a number of changes and many symptoms can occur at that time. Insomnia is often one of them. According to a recent clinical report, over 60% of the women in your age group were afflicted with chronic sleeplessness. Physicians say this is often due to declining levels of estrogen, which can affect a woman's general equilibrium. To find out what your own situation might be, why not visit your doctor? Tell him about your insomnia and get a complete checkup. If he finds you have a hormone deficiency, he might suggest estrogen replacement therapy to restore your body's balance. This treatment has been known to bring relief in many cases of insomnia and to help with other symptoms of the menopause as well.

Among the Books At Stirling Public Library

Holiday planning time is here, and the shelves of the Stirling Public Library hold many books that can be used to make your holiday more enjoyable and interesting. Canada, stretching "from sea to sea" can give a great variety of experiences to those who plan to travel. Books from "These are the Maritimes" by W. R. Bird, to "Vancouver Island" by Anne Broadfoot, to "The West Coast, to the 'Lure of Quebec'" or A. Y. Jackson's drawings of places found in the highways and byways, called "A Y's Canada," can be a guide to many Canadian scenes.

For those who plan to visit some of the many interesting places here in Ontario, there are books which can help them make the most of their travels. "Ontario Calls you Camping" by Ed L. Mallory gives information about provincial and other parks, their facilities and special assets, the scenery and travel routes for family camping. "Canadian Historic Sites," and "Historic Ontario" give a glimpse of places of special significance from Canada's past.

"A Life in the Theatre" tells of the late Tyrone Guthrie, and his vision that has made the Stratford Festival an integral part of the Canadian drama scene. "Canadian Art: vital decades" by Paul Duval is a beautiful book that will make a visit to the McMichael Conservation Collection and gallery much more meaningful. The description of the growing importance of this collection of Canadian paintings, particularly by Tom Thomson and the Group of Seven, and other Canadian painters also, will enhance the appreciation of the unique place that the small village of Kleinburg holds in the national artistic consciousness. Another book, "There is no finality" by Harry Hunkin, also gives a history of the Group of Seven and their influence on Canadian art. For those who are interested in finding for themselves the very stuff that makes up the Canadian landscape, the little books "Rocks and minerals of Ontario" and "Rocks and Minerals for the

Collector" give locations for finding and identifying many of the basic stones that can raise the excitement of discovery in the "rockhounds" among our readers.

"Canvas and Steam on Quinte Waters," "The history of the Rideau Waterway," "Cruising the Trent Severn Waterway," and "Cruising the Georgian Bay" are more books for holiday excursions; and we also have books on swimming, canoeing, sailing, fishing, motorcycling, biking, and camping, to add to the enjoyment of these activities. The Jack Miner bird sanctuary at Point Pelee is another place to visit, and "Jack Miner and the Birds" will make this more interesting. We also have "The Birds of Canada," "Mammals of North America," "Native Trees of Canada," and various field guides and booklets to help to identify much of the unusual wildlife to be found.

Many of our students know the value of the "interlibrary loan system," and this service is available to all at no extra charge, so if we do not have just the book you need, we will be happy to borrow it from one of our resource libraries for you.

Some new titles for holiday reading will be listed soon, until then - Happy Reading!

Hydro seeking comments

Ontario Hydro sent a letter to municipal officials along the proposed routes for the 500 KV transmission lines between the new Lennox generating station and the future Westville site last week. The letter indicates Hydro is ready to make a decision on the final route this summer.

Signed by Neil McMurtrie, director of Property, the letter says in part, "Hydro is now prepared to make a decision the route location of the Lennox-Westville right-of-way. We therefore would appreciate receiving comments from your council on any one or all of the alternatives that pass through your municipality. These comments may relate to any local concerns."

"In order to maintain the schedule for the line, we would appreciate receiving your comments by July 1."

Meetings were held in Belleville and Port Hope, March 15 and 16, outlining alternate routes to municipal bodies. At that time Hydro explained its criteria for evaluating the routes, included were: social impact, environ-

mental impact, technical restrictions, costs and affect on regional plans.

Since these initial meetings, Hydro representatives have met with municipal representatives, as well as planning, conservation and citizens groups. Views expressed at these meetings have been recorded by Hydro and will form part of the evaluation going into a final decision. Mr. McMurtrie's letter says that Ontario Hydro is prepared to discuss the routes with municipalities before they submit any comments.

At the initial meetings, a total of five routes which Hydro has

examined were discussed. These ranged from one north out of Lennox to a point near Line Lake and then west to cross the Trent River at Percy Reach and on near Warkworth to Elizabethtown and then south to Westville to an extreme southerly alignment west from Lennox through Prince Edward County well south of Belleville, Trenton and Brighton to Westville.

Only the section between the Lennox station to the future Westville site has been discussed. Eventually the 500 KV line will link into a grid stretching as far west as Nanticoke on Lake Erie,

MARSH HAWK
A slender, long-tailed, long-winged hawk commonly found in open country and the vicinity of marshes. Adult male is grey above, white below with black wing-tips. Female and immatures reddish brown, darker on back and wings. The white rump patch, present in all plumages, is a good field mark. Hunts in low level flight, coursing back and forth over favored territory. Prey consists of small rodents, reptiles and birds. Nests on the ground in a clump of low shrubs, willows or reeds at edge of a marsh. Four to six eggs are laid.

Planning Perils

One of the chief reasons planning theorists lack public support is because they speak in an unknown tongue. We have read column after newspaper column of reportage from that meeting in Peterborough last week. The picture remains hazy. And we strongly suspect that this same feeling is felt generally among ordinary people. It is a characteristic of the times, especially among the public service, for specialists to adopt jargon which is unintelligible to the layman. Planners excel, when it comes to developing a language all their own. Darcy McKeough, Minister of Inter-Governmental Affairs, spoke of "tradeoffs of political life today." What, may we ask, is a tradeoff? Then we have a reporter writing about "evolving co-operative community response" to the Minister's development plan. How exciting! In view of the problems experienced in planning by municipalities in this part of the province, we tend to agree with Trenton clerk-comptroller, O. W. Larry, when he described one aspect of the provincial planning process as a "hopeless skunk of yam."

Do You Remember?

25 Years Ago

Congratulations are extended Doug, Patterson, of town, who was successful in his final examinations in the Arts Course at Toronto University. The annual Convocation will take place on Friday when "Doug" will receive his Bachelor of Arts Degree, M.A. and Mrs. R. A. Patterson. Tommy plan to attend the celebration.

Two pairs of local bowlers attended the men's doubles tournament held by the Campbellford Club yesterday. J. Wright and F. R. Mallory skip, and R. Patterson and Walter Elliott, skip. Thirty-two rinks competed.

Stirling Legionairs opened the softball season in Madoc on Friday night when they dropped a close contest to the homeesters by a score of 9 to 8. George Noble occupied the mound for the locals and held the winners.

65 Years Ago

Men enlisting in No. 2 Company of the 49th Regiment, to go into camp on June 17th at Kingston, will receive the following pay: 1st year men, 70¢, 2nd year men, 90¢, 3rd year men, \$1.00.

It will be seen by minutes of the meeting of the School Board that the Board has decided to put in steam heating in the Public School. The sum required for the purpose will make a considerable increase in taxes if it is all paid for this year.

During the absence of the Rev. W. G. Clarke at Conference his pulpit will be supplied next Sunday, June 9th, by Rev. Wm. B. Benn, of Albert College, Rev. Mr. Benn was Mr. Clarke's colleague last year at Little Britain, and is a young man of much promise.

On Sunday last while we were enjoying fine summer weather in this part of Canada, there was a snow storm in New York city. It may also be noted that the weather in British Columbia and the Yukon has been much warmer than elsewhere in Canada or the northern portion of the United States.

Letter to the editor

Dear Sir:

The question was asked some time ago in the News-Argus "Have you any beefs?" Well I have one. Where were the Stirling Cubs, Scouts, Venturers and Parents - on Sunday, June 4th at 2:30 p.m.?

Two months ago the Group Committee, associated with the Stirling Scout movement, were informed the Moira Valley District Church Service would be held on the above date, would they get busy and make all the necessary arrangements. This was no small task.

Many hours of planning, phoning and meetings were put in, to make sure everything was in readiness for the afternoon. The local clergy prepared a special order of service, one that appealed to young people as well as their parents. The loudspeaker system was set up, the ball park lawn mowed, chairs put in place, also a plat-

form and pulpit. Accordian music was provided to accompany the hymns. All these, together with many more, were done out of the goodness of men's hearts, no fees were asked.

Where were the locals? Would they miss the Scout movement if it folded up? It would appear, on the surface at least, that the parents no longer are interested in this particular type of education. One that helps boys (their sons) to grow into fine upstanding young men.

Sincerely,
An Interested spectator.

Spring Brook WI

The May meeting of the Spring Brook Women's Institute was held at the home of Mrs. Fred McKeown. Mrs. George Williams, president, opened the meeting with a poem, followed by the singing of O Canada, the Institute Ode and the Mary Stewart Collect.

Mrs. Williams thanked the hostess for opening her home for the meeting.

Mrs. Barlow, secretary, read the minutes of the annual meeting and correspondence.

A bake sale in Marmora was discussed, and it was decided there would be one held in Aug. It was moved and seconded that Spring Brook Institute celebrate their 75th anniversary by having a tea. A committee was formed to take charge of this.

It was also moved and seconded that Spring Brook W.I. make plans for a bus trip to Ottawa and the Parliament buildings in September.

The roll call "Something delightful from Grandmother's kitchen" was well answered by everyone. Birthday greetings were extended to Mrs. Huldah McInroy.

A collection of pennies was taken for the "pennies for friendship" fund. A poem "Bus trip to Boulder" was composed and read by Mrs. Lorne McInroy.

Mrs. Clarence McKeown presented an interesting report of the district annual meeting. A short time of singing was then enjoyed. Mrs. Gerald Broadworth gave a humorous reading, a poem entitled, "To-day's Modern Grandmother."

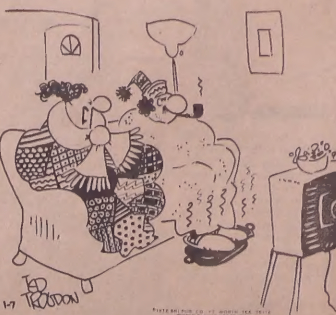

A poem was then read by Mrs. Bill Prest explaining why Gram could be so gay. Mrs. Jim Spry gave a reading, "My old quilting frames," suggesting some of the many tales they would tell if they could talk.

Mrs. Williams made some comments taken from the Women's Institute hand book, which were both interesting and informative.

Collection was gathered and the meeting closed with the singing of the Institute Grace. Lunch was served and everyone enjoyed a social half hour.

Blazing a trail...

Dr. C. I. Hauch of East Lincoln is an outdoorsman. With his love of skiing, hiking, and outdoor activity, it was inevitable that he should get involved in conservation, the Niagara Escarpment and the Bruce Trail.

And because he and thousands of other outdoorsmen got involved, the Escarpment, a 450-mile ridge from Queenston to Tobermory, will be saved for all of us.

Premier John Robarts, announcing Ontario's Niagara Escarpment Study in March, 1967, praised Dr. Hauch and the nine clubs that make up the Bruce Trail Association. His comments in Hansard were: "The people in the Province owe him, as well as the other members of these clubs, a real debt. What has been done to date, has been done completely by volunteer labour from these clubs. Men and women who are interested in the establishment of the trail and in the walking and the scenery and so on that it produces, have done the work themselves."

Dr. Hauch, who has represented Sarawak since 1963, retired last year from his seat on the Sault Valley Conservation Authority.

"I've been at it so many years," he said, "I wanted to see a younger man take over." So now Dr. Homer Edwards is on the Authority and Dr. Hauch is looking forward to something

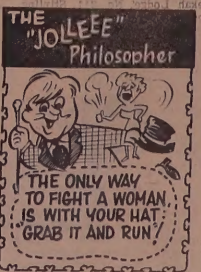

he has never done -- walking the entire length of the Bruce Trail. He's only familiar with the north half of it.

Looking back, one of the things that pleased him the most, was the acquisition of Indian Falls Park. The park, a gravel pit being converted to the gateway to a side trail on the escarpment, is in Sarawak.

This was one of his pet projects in his fund-raising activities. He has a real talent for fund-raising. He brought in \$50,000 from contributors as far away as New York State, and contributed greatly to the Conservation Authority reaching its \$100,000 goal for Escarpment land purchase in three years. They went looking for private donors to take full advantage of the 75 per cent Provincial grants for Niagara Escarpment land. That grant was a good selling point, Dr. Hauch said, it means a lot when people know every dollar they give will be matched by three from the Province.

It also means a lot when people like Dr. Hauch are willing to put their talent, time and effort to work and improve our natural environment.

River Valley WI

(By Mrs. Percy MacMullen)
The monthly meeting of River Valley Women's Institute was held on June 1 at the home of Mrs. Evan Bogart with 26 members and three pre-school children in attendance.

Mrs. Gerald Grills opened with the Institute Ode, the Mary Stewart Collect and a welcome to all.

Mrs. Gerald Brooks read the May minutes. The correspondence consisted of several thank you messages, Mrs. J. L. Donohue gave the financial picture. The convenors gave their reports. They were as follows: Agriculture and Canadian Industries - Mrs. Philip Conley read an article re a new milk pouch pack; Citizenship and World Affairs - Mrs. Vernon Harry read attributes of a good citizen; Family and Consumer Affairs - Mrs. Glenn Bush asked "How made" on bread and cakes?

Mrs. Percy MacMullen, public relations officer, stated that the study of Australia is advised as the next triennial of A.C.W.W. and will be held in that country. She is sending clippings next week of the April and May meetings and the Hastings West District to Mrs. M. Pardy, Home and Country, editor.

Mrs. MacMullen is also sending clippings to Abbots Leigh W.I. in England. In a 1949 scrap book it stated that Miss Anna P. Lewis, director of Home Economics Service, in her address at the convention that year said that 80 women's institutes in England have been adopted by Ontario branches and they are called Friendship Links.

Mrs. Roy Tucker, A. C. W. W. convenor, read an "In Memoriam" from the May Countrywomen's magazine for Neta Rugumayo.

Mrs. Roy Bush, curator, gave an outline of items needed to keep the "Tweedsmuir history book" to date such as births, deaths, new homes, etc.

Mrs. Bush also paid tribute to all the members who assisted in making the Hastings West District Annual a success. She also expressed congratulations to Mrs. Gerald Brooks who was the recipient of a Canada Council 4-H Club leadership award for 1970.

Plans were made to cater for a salad plate luncheon in June, a wedding in August and the Scout district banquet in Oct.

Mrs. Glenn Bush outlined the swimming plans. The transportation for bus and driver will be \$16.00 a day.

The pool fee will be according to the number in attendance. The July meeting will be held at the Centre and the 4-H Homemaking Clubs will present the program. Gloria Harry gathered the pennies and the offering.

Mrs. Ross Bush convened the program and the roll call was answered with world wide news. Many interesting items were given and included the death of the Duke of Windsor and the increase in the rates of Bell Canada.

Mrs. Vernon Harry, delegate to the officer's conference at the University of Guelph, gave a summary of the highlights.

The University of Guelph has a campus of 1100 acres on the southern edge of Guelph. There were 7,500 students enrolled in 1972.

The sessions were held in the War Memorial building and at MacDonald Institute.

The delegates enjoyed a tour of the Adelaide Hoodless Home, a post card scene and a small brochure were displayed, also a map, program, etc. The theme was "Members See, Officers Foresee."

A reception was held in Lambton Hall for Mrs. E. V. Fulton, Birnie, Manitoba, president of the Federated Women's Institutes of Canada and Mrs. Harvey Noblitt, Ottawa, president of the Federated Women's Institutes of Ontario. About 700 women were in attendance at the party.

During the sessions Mrs. Noblitt stated that she aims to have an increase of several members in each branch during her term of office.

Mrs. Fulton, an English war bride, outlined what constitutes a good member and a worthy citizen.

Mrs. Helen McKercher, director of the Home Economics branch, paid tribute to the institute pioneers who have given valued leadership throughout the years. She said that the Women's Institute should be the "Architect of Community Progress."

She asked that all branches in Ontario take out a contributing membership in the Associated Country Women of the World. Four hundred women enjoyed the walking tour of MacDonald Institute.

In the plenary session there were many ideas of interest to the branches.

Dr. W. C. Watson gave an address on the "Modern Medical Dilemma."

Mrs. Harry Voiced appreciative thanks for her visit to the officers conference and River Valley Branch replied with an ovation to her for her report.

The hostess, Mrs. Bogart, gave an organ selection "Autumn Leaves."

It was reported that Susan Bush will be eligible to attend the girls' 4-H Club conference in July at Guelph. Four girls will attend from Hastings County.

Mrs. Charles Wilson gave a report of the morning session of Hastings West District and Miss Alice Heasman reported the afternoon session when Mrs. Clifford Barber gave her talk.

That day she stressed that "Tomorrow is not promised to us, so let us make the most of today."

The theme was "Everyone is a Key Person." The convenor voiced thanks for both of the informative reports. She and Mrs. Harry Morrow then conducted a picture contest of "People in the World." The meeting closed with the Institute Grace.

Marie Donohue, Isabel Heasman and Alice Heasman provided refreshments for the social hour.

Mrs. Jack Bush voiced appreciative thanks to the hostess and to all those who had assisted with a successful meeting.

Findlay - Bailey

Rev. W.C. Cox officiated at the wedding ceremony in Mount Pleasant United Church recently, when Ida Mae Bailey, daughter of Mr. and Mrs. Archie J. Bailey, R.R. 3, Stirling, was united in marriage to Richard Alan

Findlay, son of Dr. and Mrs. Arden Findlay of Kirkland, Quebec. The bride was given in marriage by her father. She was attended by her sisters Mrs. Suzanne Humphries, as matron of honor and Miss Anne Bailey as bridesmaid.

The groom was attended by his brother, James Findlay. Ted Findlay, another brother of the groom was usher.

The reception followed at Island Park.

Following a short honeymoon trip Ida and Rick have taken up residence at Teedale Place in Toronto.

Carmel

(By Mrs. Arthur Pyear)
Mrs. William Carson and family of Goose Bay, Labrador, spent a week with her parents, Mr. and Mrs. Ron White.

Mrs. Retta Grills spent a few days last week with her sister, Mrs. Roy Neal, Belleville.

Barrie Pyear, son of Mr. and Mrs. Douglas Pyear received his Bachelor of Education from McArthur College, Kingston, on May 26. He received his B.Sc. in Physical Education at Guelph University in 1971 and has accepted a teaching position in Centre Hastings Secondary School in Madoc.

TODAY'S CHILD

BY HELEN ALLEN

THE TORONTO SUN SYNDICATE

A GOOD STUDENT

Jean has just turned 10. This quiet, sensitive, soft-voiced child keeps any worries she may have to herself, but she must often wonder what is ahead for a girl with no mother and father.

Italian and Anglo-Saxon in descent, Jean has brown eyes, dark hair and medium complexion with freckles which last through the winter. Her health is good.

She is shy on first meetings but is able to be friendly with both children and adults, though cautious of making close relationships quickly.

Jean is doing well in Grade four and it is thought she may be above average in ability. Her foster parents and her teachers say she is likeable and co-operative.

Jean finds great enjoyment in books and is a television fan. She looks forward to Sunday School every week.

She needs warm, loving parents who will be patient and understanding if it takes her time to feel she is really part of the family.

To inquire about adopting Jean, please write to Today's Child, Box 888, Station K, Toronto. For general adoption information, ask your Children's Aid Society.

WEEKLY REPORT

FROM

FOXBORO DISTRICT

(BY JACK WOOD)

DANGER AHEAD

April to October is a hazardous time of year, on and off the farm. Studies show that 93 percent of farm accidents were preventable. Carelessness is the chief cause we suspect, and quoting all kinds of statistics won't prevent accidents. You and your families and me and my family are the people who can prevent accidents.

Here are some reminders! Tractor operation - did you know that when steering a tractor into a tight turn, tipping danger at 6 miles an hour is 4 times greater than at 3 miles an hour? So speed is an important safety factor.

Fatigue causes carelessness, which causes accidents. What do you prove when you spend hours on end on your tractor, if you wind up under it because you got too tired to be careful. Take a break from long continuous hours at one job - have a coffee, or get someone to spell you off for a while. Watch the critical hours of 10 a.m. - 11 a.m. and 3 p.m. - 4 p.m., when most tractor accidents occur.

Hurry produces accidents! Take time to put safety shields over power-take off shafts. Let your tractor cool down before refuelling to reduce fire hazard. Don't rush onto highways with equipment before you attach the familiar bright orange and red triangle warning sign on the back to warn motorists of slow moving vehicles.

Thoughtlessness produces accidents! Don't carry children on

tractors. Tractors are not passenger vehicles. Chaining posts to rear wheels to get your tractor out of mud, or hitching heavy loads too high on the tractor, can cause your tractor to tip over backwards.

We've been talking about machinery accidents, but there is another important kind in the summer. These are accidents resulting from careless handling of herbicides and pesticides. Most of these materials are poisons. Read the label carefully. When handling chemicals, wear protective clothing including a face mask if specified on the label. Don't breathe spray fumes and keep spray material from all contact with the skin. If some gets on you, wash thoroughly with soap and water.

Store spray materials under lock and key in a cupboard or section of your equipment shed. When bags or cans are emptied, don't let children get hold of them for playthings. Don't throw discarded containers in the dump either. Cans should be buried. Paper and plastic containers can be buried, and the ashes buried, but avoid smoke drift if the bags contained any herbicides. It could damage susceptible crops.

Klomp maker wants compensation

Councillor Edward Klomp, maker of the Stirling shoe, has been reimbursed for the \$10,000 it has spent in developing an official plan.

He told village council Monday night it was unfair that Stirling should have to pay for planning services in other municipalities, while the village paid the whole shot for its own planning work.

Reeve Robert Anderson said he agreed with the councillor, but there is no provincial legislation to cover any compensation of this nature.

Stirling is now a member of the Hastings County Planning Area

which has engaged Totten, Sims, Hubicki to draw up an official plan. All member municipalities will contribute toward the cost.

In Stirling, however, work has been taking place on an official plan for several years and, in fact, is nearly completed. A public meeting has been called for the evening of Wednesday, June 21, at which time some changes in the proposed plan will be discussed.

If there are no objections to these changes, the province is expected to give early approval to the long-awaited plan.

DOLLARS & GOOD SENSE

By William J. Martin
Do you and your bank agree? I mean on the balance in your checking account when it mails you the monthly statement.

Do you ever check your statement against your check-book balance? If you don't, you'd better because banks can make mistakes, too.

Actually that official-looking, computerized statement is prepared by rather average people. In fact, large banks often have a great number of fairly inexperienced employees and combined with ever changing computer programs, the chances of error are growing.

So, if you and your bank don't agree, it could be their fault. It pays to check it up to you to make the handling of your bank account as fool-proof as possible.

When writing any check, always fill out the stub or your record first. It's too easy to forget after you've written the check and then discover that you can't remember the amount, which means you don't know what your bank balance is.

Be sure you fill in all the blanks on your checks. When the writing ends before the blank does, draw a line through the remaining space. Also be sure to start each line, especially the dollar amount, as far to the left as possible.

Use care in handling endorsed checks which may be cashed by anyone, as may a check written to cash, when mailing an endorsed check to your bank for deposit, qualify your endorsement with the words "For deposit only," just above your signature.

If you mail your paycheck to the bank for deposit, it isn't necessary to endorse it, but you should write "Deposited to the account of the within named payee."

When endorsing a check, you must sign your name exactly as it appears on the check's face. If your name is misspelled, you must sign it that way and then sign your name correctly underneath.

Glen Ross hosts big boat

On Sunday, the population of Glen Ross was swelled by a large number of sightseers who came to see the American cruiser, New Shoreham which anchored by the canal for the night. It had made the trip from Oswego, N.Y., up the Trent Canal as far as Peterborough and was on the return trip with about 60 passengers and the crew aboard. This is believed to be the largest boat that has navigated the Trent Waterway.

"SPOT the Merchants" CONTEST

RULES

The Stirling News-Argus is offering its readers a chance to win valuable prizes in the exciting new "Spot the Merchants" Contest. Identify as many of the above photographs as you can. NOT the individuals' names but the firm with whom you think each picture is associated. A clue taken from, or pertaining to their advertisement is published below each one. Patronize the advertisers in this contest and obtain your official entry forms or reasonable facsimile, complete and mail or deliver to THE CONTEST EDITOR, The Stirling News-Argus, to reach here on or before Tuesday noon of next week.

The first fifty correct answers drawn each week will be awarded prizes and all names of this week's lucky winners will be published in next Wednesday's Stirling News-Argus when contest No. 4 will appear. Winners will also be notified by mail. Remember to patronize the merchants who have helped make this contest possible and obtain your entry forms. You may enter as often as you wish, providing a separate contest entry form is enclosed with each entry. There is NO limit to the number of prizes a reader may win.

All readers of the Stirling News-Argus are eligible to compete with the exception of the newspaper staff and their immediate families and their advertising agencies. Entries are not returnable and the judge's decision must be accepted as final.

Mount Pleasant News Notes

(By Mrs. Percy MacMullen)
U. C. W. CHURCH SERVICE
On Sunday morning, June 4, at nine o'clock, Mount Pleasant United Church Women held a special church service. A large array of floral bouquets of Lilies, Snowballs, Iris, etc., were in evidence.

Harvey Couch and sons, Kenneth, Douglas and Gary, provided orchestra hymn music with Mrs. Malcolm Sharp as organist. They gave prelude and postlude music and accompanied the hymns.

The call to worship was given by the pastor, Rev. W. C. Cox, and all sang, "What a Friend We Have in Jesus."

Mrs. Ira David conducted the responsive Psalm selection and Mrs. Jack Dunham read the scripture lesson in St. Luke, Chapter 19.

Mrs. Mac Sharp, pianist, Mrs. W. C. Cox and Mrs. William McAdam contributed a vocal number.

Mrs. Harvey Couch and Mrs. Stanley Williams distributed the programs at the door and later gathered the offering while Mrs. Herbert Smith led in the dedication.

The Junior choir sang with Miss Jeannette Hoard as pianist and Miss Brenda Williams as director.

U. C. W. introduced Mrs. Clayton Thompson who was recently appointed president of the Bay of Quinte Conference Branch.

U. C. W. Mrs. Thompson lived in the former William's school section previous to her marriage and is well known here.

The theme of her address was "Not Good - If Detached." She pointed out that the hardest days of our lives are those days that we are detached, consequently we must live in relationships. "A child would die without mothering care."

In today's world our youth are seeking honesty and openness with their elders, also a genuine personal relationship with their family and friends. The speaker

pointed out that many of our elderly people are suffering from acute loneliness and have no significant place in their various communities as they are not treated as individuals and find that the loneliness is a real meaning for them. The most drastic punishment that society has devised is solitary confinement.

Her closing thought on the subject was, "We are not good if detached and pointed out the truth that as individual persons we need fellowship with our family. Then as a society of individuals we are not healthy unless we work together for the good of all. We must have a sense of belonging to our church and our U. C. W. organization and we must be involved in the progress of the world in order to promote the better things of life. The speaker stressed that we cannot be separated from good and from all mankind else we die emotionally and spiritually."

The service closed with "Blest Be the Tie that Binds," and the Benediction was read by Mrs. COMMUNITY SHOWER HONORS MR. AND MRS. RICHARD FINDLAY

On Saturday evening, June 3, a community shower was held in Mount Pleasant Church hall in honor of the newlyweds, Mr. and Mrs. Richard Findlay, Toronto.

The bride was the former Ida Mae Bailey, daughter of Mr. and Mrs. Archie Bailey. Several guests were in attendance from the Hoards and Carmel communities. A bouquet of persian lilies added beauty.

Rev. W. C. Cox was master of ceremonies for the program. Harvey Couch, playing the harmonica and sons, Kenneth, playing the accordion, Douglas, the saxophone and Gary, clarinet, contributed several selections of orchestra music.

Humorous selections were read by Mrs. Thomas Grills, Mrs. Clayton Thompson, Mrs. Ross Jeffs, Mrs. Ron Parr and Mrs. Percy MacMullen.

Happenings at the Towers

Recent visitors at the Stirling Towers Nursing Home included:

Mrs. Emma Wilman, Trenton, with her brother Tom Young, Mr. and Mrs. Benson French, Crookston, Bob McCoy, Madoc and Mr. Taylor, Belleville, with Wes Hulin.

A vocal selection was given by Jackie Barrett with Margaret Hoard as accompanist.

Mrs. Mac Sharp contributed a piano solo and she and Mrs. W. C. Cox conducted the assembly singing.

Gail Merrick and Anne Bailey rendered a piano duet. Richard and Ida Mae were given seats of honor and an appreciative address was read by Mrs. Robert Merrick and Mrs. Harry McAdam made the presentation of a purse of money, also a church plate from the U. C. W. group. The recipients both graciously repelled and voiced thanks for the party and gifts and all sang "For They are Jolly Good Fellows."

The committee in charge then served refreshments and all enjoyed a social half hour.

On Saturday, June 3, a large number of people attended the auction sale of household effects at the home of the late Mr. and Mrs. George Weaver near the former Anson station. A number of antique dealers were in attendance. Many items were in the June group of the United Church Women, under the direction of Mrs. Harvey Couch, supplied refreshments and real large sum of money for their efforts.

Heather Hoard enjoyed a few days at Waupoos Camp with the Brownie group.

Mr. and Mrs. Arthur Couch, Mr. and Mrs. Harvey Couch and Mr. and Mrs. Lyle Couch recently attended the Docher - Guire wedding and reception at Campbellford.

Mr. and Mrs. Fred McAdam, Huron Park, Ont., spent a recent weekend with Mr. and Mrs. Harry McAdam enroute home from a 16 day holiday in Florida.

Mr. and Mrs. Bruce Simmons and family of Cambridge, Ont., visited Mr. and Mrs. Robert Hoard and family over the weekend.

Mrs. Harvey Couch accompanied Mrs. Alex Bush and daughter of Stirling and they all attended a troupeau tea in honor of Miss Susan McMaster, York Road, Trenton, on Saturday.

Linda Hoard spent the holiday weekend with the girl guide group at Waupoos.

Mrs. George Carlisle, Mrs. Malcolm McMillen, Mrs. Ralph Carlisle and Colleen spent Wednesday at Port Hope and attended the Eastern Star tea and bazaar.

Mr. and Mrs. Leigh Tamlin and family of Cambridge, Ont., spent the holiday weekend with Mr. and Mrs. Robert Hoard and family.

Mr. and Mrs. Richard Findlay of Toronto, spent the weekend with her parents, Mr. and Mrs. Archie Bailey.

TRENTON FIRM WILL BUILD NEW SCHOOL

Speaking of Sport

BY THOM REYNOLDS

Thurlow and Sidney Southall leagues have been using the Stirling Ball Park for their games which are scheduled for Tuesday, Thursday and Saturday evenings. Doubleheaders are played each evening with the first game at 7 p.m. and the second starting about 8:30 p.m.

The rural league has a lineup of five teams -- Holloway, Glen Miller, Dickson's, Crookston and Faxon.

Tomorrow night, Glen Miller will meet Foxboro at 7 p.m. while Crookston and Holloway will clash in the second game of the

doubleheader.

Stirling Tykes have been divided into four teams on a house league basis. All teams played last night. The teams are coached by Lyle Faulkner, Merritt Wood, and Everett Dostler.

The Pee Wees have formed a team under the coaching of Ted Dobson, Doug Bolte and Donny Armstrong. The team is playing a game tonight against Spring Brook.

Larry Jeffs and Frank Bailey are looking after the Bantam softball team this year.

Donald R. Williams of Stirling, chairman of the Hastings County board of education, announced yesterday that the board has signed a contract with a Trenton firm for the construction of a new elementary school in Stirling.

Miron-Wiggers Construction Ltd. was awarded the contract at a price of \$539,763.

Works scheduled to begin immediately on the new school, which will be located on a 35-acre site on the south side of St. James St.

Conservation grant given

Leo Bernier, Minister of Natural Resources and Clarke T. Rollins, M.L.A. for Hastings, announced the approval of a provincial grant of \$5,000.00 to the Moira River Conservation Authority for Vanderwater Conservation Area.

This Conservation Area comprises 415 acres of land in the Township of Hungerford.

The Authority is proposing to undertake further development work in this area which will include improvement of picnic and camping areas, woodlot improvement, development of a nature trail, extending and improving service road, provision of signs and other general development work.

All member municipalities are designated as benefitting and will bear the Authority's share of the cost.

Cheque boosts piano fund

Over 50 Senior Citizens enjoyed the meeting on Thursday, Ann Faulkner and Percy MacMullen were tops at euchre while Freda Broadworth and Jack Senior were down in the pit. The lunch committee were Myrtle Tanner, Nellie Montgomery, Mabel Brooks and Kathleen Ryan. Thanks girls.

We were happy to have Dorothy Ross visit us for the first time and hope she will come often.

A letter was read from the Stirling Branch 228 Royal Canadian Legion expressing their respect and interest for the Senior Citizens and included a generous cheque to assist in any project that would give the most pleasure and benefit to most.

This will be applied to the piano fund. We have been an active club for over 6 years and during that time the Legion has contributed in many ways to our happiness, for which we are very thankful.

Father's Day, June 18

Here is to Dad on Father's Day -- The old man is a hunny. We hope and pray he likes those gifts, for they are going to cost him money.

Tentative completion date for the project is January 1, 1973.

Mr. Williams said the new school will include six classrooms, a science room, an art room, a music room, a library resource centre and a general purpose room.

The new building will not necessarily mean an increased enrolment in Stirling school, the board chairman explained, but it will eliminate the need for six portable classrooms now in use at the Stirling Senior Public School, as well as free the library and home economics rooms in the two existing schools.

Certain electrical and mechanical features will be built into the school so that at some future date, a secondary school could be erected adjacent to the elementary school.

Mr. Williams said he hoped Stirling would eventually have a

Stirling WI holds meeting

The Stirling Women's Institute meeting was held Wednesday afternoon in the Stirling community hall.

Mrs. Everett Cooke, the president, called the meeting to order. With Lenora Williams at the piano all sang the Institute Ode and then repeated the Mary Stewart Collect. Mrs. Cooke gave a word of welcome, and thanked everyone for their help in serving the dinner at the District Annual Meeting, which was held at St. Paul's Church.

Roll call, "What hobby I would like to learn," was answered by 27 members and one visitor.

Mrs. John Senior read the minutes which were approved and signed by the president.

Quiltings, cards, and a number of items were reported by Mrs. Alex Tanner.

Standing Committee Convenors were asked to report.

Mrs. E. Grills told of Snowmobiles from Canada to the United States for Canadian Industries.

Mrs. Ashley Brooks told of the machinery and its cost left on the moon surface.

Mrs. Arnold Wannamaker for Agriculture, told of the vast number of elms destroyed in just one park.

New business was the planning for Open House by the Edward St. Manor and Towers Nursing Home on Wednesday afternoon with Stirling W.I. catering and the Social Function Committee, namely Mrs. Goldie McIntyre, Mrs. E. Broadworth, Mrs. Duncan Montgomery and Mrs. Clarence Fitchett, all doing complete arrangements.

Mrs. L. Bronson introduced the question of laying a new floor in the community hall east room. It was agreed to bear the expense of floor covering with a committee, namely: Mrs. A. Tanner and Mrs. L. Bronson.

Mrs. Harry Jones was in charge of the program, namely, Mrs. G. McIntyre sang a solo, "My Own Canadian Home." This was composed and set to music by Mrs. Myrtle Broadworth of Stirling.

Mrs. Alex Tanner gave the topic, "Canadian Culture and Its Riches." In part: With 60 nationalities Canada in July will be 105 years old as a nation. Canadian culture is a search for question in understanding and agreement with all around us trying through each day to see our fault of differences as well as our neighbor.

Mrs. Floyd Bartlett gave a reading, "What's A Farmer Any way?"

Mrs. E. Broadworth gave a reading, "The Life of Three Monkeys."

Mrs. A. Wannamaker read, "The Corner Stone" a reading, "I'm Fine."

"Name 25 growing flowers," a contest by Mrs. Jones with a treat of candy to all.

The lucky number was held by Mrs. Tanner with Mrs. Jones giving a pot of African violets in full bloom.

All sang The Queen, then the tea table all sang the Institute Grace.

The hostesses, Mrs. J. Senior, Mrs. M. Ward and Mrs. E. Broadworth served a variety of fruit bread, pickles, cheese and tea. Mrs. Ashley Brooks moved a vote of thanks for the program and lunch.

high school located on the site, as the student population in this part of the county grows.

Present indications are, however, that no additional high school buildings will be required for some years, he said.

Nevertheless, the Ontario department of education has approved plans for a Stirling school whose plant could readily be expanded to accommodate a secondary school.

Sidney enjoys building boom

Building permits were issued at a record rate in Sidney Township during May.

Building Inspector George Caves granted 68 permits, 34 for the construction of new dwellings. Total value of the permits was \$723,138.

Mr. Caves cited the availability of registered lots in the township as the reason for last month's boom.

"They're good lots and they conform with our land use by-laws," he said. "Most were purchased by developers prior to subdivision control, some with their own water control system."

What makes Sidney even more attractive is the fact that in many areas, building is taking place on every second lot, leaving room and making sewage disposal easier, he said.

Asked whether he thought the current rate of building could continue, he commented: "There's room for tremendous expansion yet."

Trimettes meet

The Club's annual banquet was held at Tommy's Tavern, Trenton, Monday, June 5.

Jo-Anne Crowe, the member who has lost the most weight for the season, was crowned Queen. Mary Hart who made her goal in pounds lost, for the year, received her graduation pin.

Among the guests were Ella Young, of Trenton, Trimette supervisor, and David Christman, who acted as club photographer.

Happenings at the Towers

Recent visitors at the Stirling Towers Nursing Home included: Percy Utman with Wes Hulin and Roy Thrasher.

Miss Judy Bush and Mrs. Grace Gunning with Mrs. Elsie Farrell, Mr. Knight and daughters with Mrs. Elsie Knight.

Harold Martin, Mr. and Mrs. Mel Bronson, Madoc, with Wes Hulin.

Mrs. Helen Donnan, Mrs. Irma Sine, Mrs. Dorothy Summers and Mr. and Mrs. Shaw with Roy Thrasher.

Miss Mary Hulin with Charles Conley.

LOCAL LEGIONNAIRES HOLD PARADE

Members of the Stirling Legion Branch No. 288 held a special church parade on Sunday morning to mark the 100th

anniversary of the birth of Col. John McCrae, author of the poem, In Flanders Fields. Legionnaires paraded in front

of the local Cenotaph following a service at St. Paul's United Church. Flag bearer was Carl Cooke.

Fashion show, display staged at Junior School

Students from the Home Economics and Industrial Arts classes had a chance on Monday to show their year's projects at a fashion show and display held in the Stirling Junior School Gymnasium.

Girls from the Grade seven and eight Home Economics classes presented a fashion show of sewing projects that they have carried out during the year. Fifty-three girls took part in the show.

The Grade seven girls' projects had a Pleasant Theme while the Grade eight girls had to complete a two piece ensemble.

The girls also had on display other sewing items that they had completed in class -- napkins, aprons, placemats, and stuffed animals.

Miss Penny Ludlow is the Home Economics Instructor. Instruction is also given in preparation of food and food nutrition.

The Grade seven and eight boys from the Industrial Arts classes displayed projects that they had made during the year's classes. All the projects were planned, designed and submitted by the students themselves with instruction given by Joe McCau.

The students are instructed in wood working, metal work, and arts. Construction of a lamp was one of the projects carried out by most of the boys. The classes also did some work with cement sculpturing.

Picnic tables made by students from the Marmora school were on display. Mr. McCauley is hoping

that the students from Stirling will be building them next year.

This was the fourth annual Industrial Arts Display and Fashion Show put on by the Grade seven and eight students.

Students from the school's band and from the drama club will be giving a performance in the Junior School's Gymnasium on Thursday and Friday evenings of this week.

Area history seen in stamps

By PATSY NEAL and DAN LUMMIS
Students of Centre Hastings Secondary School, Madoc were pleasantly surprised to find local history in the postage department in the Sir Alexander Campbell Building in Ottawa on Tuesday.

Just recently in daily newspapers, students read that a new museum for postage stamps and equipment was beginning in Ottawa. On Tuesday four students tawa, saw a plan of proposed museum and sheets of stamps that would be part of the display and a few postage artifacts.

The largest postal artifact came from Marmora. It was a hand cancelling machine submitted by the family of Warren Hick. This machine was first used in 1920. The students requested the stamp machine mark Marmora on the papers, but since it was not inked, this wasn't possible. Other artifacts were a post office sign put up in 1921 from Newfoundland. This museum will be completed in 1974. There are 66 countries in the world with postal museums. James Draper, in charge of the postal museum, is one who developed his vocation from a hobby. He was an active stamp collector and now holds an important post there. He knows G. A. Mackenzie of Trenton, another professional stamp collector who showed his series of slides, "Famous People in Canadian History" in Madoc recently.

While Vic Dumbleton explained aspects of the design department, the Madoc group noticed one particular Madoc name in among thousands of names of Canadians. That name was Dr. Allan Roy Dufour, 1883-1944. Dr. Dufour became famous as the doctor who delivered the Dionne quintuplets in Callander in 1934. Mr. Dumbleton told that through Canadian commemorative stamps, Canadians would become aware of other Canadian heroes rather than trying to borrow heroes from another country. Mr. Dumbleton told

that two years ago when the Henry Kelsey stamp was introduced, there were many Canadians who hadn't learned or remembered the story of the Kelsey, the hero of the western plains.

The pupils expressed concern for the limited number of stamps in each new issue. For example, the new 8¢ commemorative stamp of Frontenac issued on May 17 has been issued in a quantity of 25,000,000, but Mr. McDowell said that was really only one stamp per Canadian. However collectors would like the number of stamps to be more limited so that their collections become even more valuable.

The students were given an opportunity to gaze at a tremendous wealth of stamps. In a large vault were \$11,500,000 worth of stamps. As a reminder of the trip Mr. McDowell presented each student with a souvenir folder of "The Group of Seven" with the "Isle of Spruce" painted by Arthur Lismer. The students seeing these stamp aspects of the local area were Patsy Neal, Dan Lummis, Allan Reid and Randy Holmes.

GEORGE MURNEY WRIGHT

A resident of Hastings Manor, and formerly of 20 Auburn St., George "Murney" Wright died Monday, June 5, in Belleville General Hospital. He was 76. Born in West Huntingdon, he had lived in Belleville for 30 years.

Peace Park fund growing

"Returns to the Lester B. Pearson Peace Park annual appeal are coming in quite satisfactorily," said Roy McDowell, Chairman of the park. "What is most gratifying is the response of young people. They are the ones who have the most to lose by war and they are the ones who have the most to win by peace."

All the money contributed will be used to maintain and improve the park which is open to all without fee for peace is for everyone. There are no administrative charges and every penny contributed goes for park improvements.

Those who have received letters are asked to make a return before the end of the month or give their donation to the Bank of Montreal, Tweed or the Toronto Dominion Bank, Madoc. All contributions are income tax deductible.

New hall needed

That Stirling requires a new fire hall is an obvious fact. It was recognized by Reeve Robert Anderson in his inaugural address to the village council in January, 1971.

So it came as no surprise when the key recommendation in the recent report of the Ontario Fire Marshal turned out to be the need for a new hall.

The old hall, more than 80 years old, has long been inadequate to accommodate the needs of modern fire fighting. While the type of building the report recommends may seem a bit grandiose for a village of 1,500, we feel council should give serious thought to the matter of providing a new building... even if it has to be a scaled down version of the hall proposed.

There has been some suggestion that a new fire hall could also include space for a municipal office, with the present village office given over to the public library. This thought has merit, although we wonder if it would not be better to locate such a complex closer to the centre of the village than the suggested site on North St.

At any rate, the report does serve to provide a good deal of food for thought and we shall await council's reaction with interest.

Principal J. L. Good of the Stirling High School has announced a new Scholarship open to pupils of the local school. It is known as The Mr. and Mrs. R. G. Lawlor Memorial Scholarship, value \$50, for general proficiency in Stirling High School and is open to any pupil entering any Faculty at Queen's University. Mr. Lawlor was a former principal of the Stirling High School.

On Sunday, June 1st, Mr. Charles Mumby, of Harold, celebrated his 71st birthday and was the recipient of numerous cards, gifts and congratulatory messages from friends and relatives. Guests for the occasion were Mr. and Mrs. Albert Twidley and family, Harold; Mr. and Mrs. J. B. Beishaw and Mr. and Mrs. C. B. Rollins, of Stirling. The day also marked the birthday of Mrs. Rollins, who is a niece of Mr. Mumby.

Dr. P. V. Helliwell, E. G. Bailey and F. R. Mallory represented the Stirling Bowling Club at the men's trebles tournament at Madoc yesterday afternoon.

Stirling friends will be pleased to learn that Lorrie Anderson, of Keswick, son of Mr. and Mrs.

W. L. Anderson, of Stirling, was successful in the second year exams at O.A.C....

Fire of undetermined origin completely destroyed the farm home of Frank Keating, Anderson's Island, yesterday afternoon. When discovered the blaze had gained considerable headway and only a few of the household effects were saved.

Fishing below the dam here on Saturday evening, Russell Rupert hooked a pickerel weighing 4 1/2 lbs. Several of these fish have been taken from Repton Creek since the season opened and it is thought that it is due to the high water that so many of them have found their way up the creek from the Trent River.

Playing at Belleville on Friday night the Stirling Legionnaires defeated Belleville Legionnaires by a score of 10 to 8. Harry Brooks was on the hilltop for the locals for the first five innings and was relieved by Noble, while "Bud" Miller looked after the catching duties.

On Thursday night June 19th, the local Legionnaires will play Tweed at the local Fair Grounds.

Recruiting for the military camp at Kingston is said to be progressing very favorably, but there are still a few vacancies which must be filled before Monday morning, June 17th, when the local company entrains here.

Our readers should remember the Concert to be given by Albert College students in the Methodist Church tomorrow evening, June 14th. It will be well worth attending. A number of talented artists will take part.

That the Horticultural Society, aided by the village Council, is endeavoring to turn the old cemetery into attractive parks is a step in the right direction. A few dollars expended each year

will transform a hitherto unattractive spot into a popular pleasure park.

Mr. Gho. Burdick, sr., near Spring Brook, had fifteen cows killed and two badly injured by a C.P.R. train. The accident was caused by a gate being left open, allowing them to get on the track.

There will likely be a full house at the Court of Revision on Monday evening next, as about fifty notices of appeals against the assessment have been served on ratepayers. It would appear to be the intention of the Council to raise the assessment to somewhat near the cash value of the property assessed, but this does not necessarily mean that the parties whose assessment is raised will have to pay increased taxes, as the rate on the dollar should be, and no doubt will be, much less than it has been in the past.

A Weekly Meditation

By REV. CHARLES E. STAPLES
St. John's Anglican Church

Most people know the conditions which Jesus laid down for Christian service, "if any man wishes to come after me, let him deny himself, and day by day take up his cross and follow me (Luke 9:23). It's one thing to know the thing expected of you but it is another matter to carry it out. Why does the great gap continue to exist between that our Lord asks of us and what we are willing to offer? Perhaps we have misunderstood him? Could that be? Have we grown to think of him as demanding perfection, when originally he said to us, "become perfect," or "grow into the perfection of God's created person." It may well be that we attribute to Jesus things that he never demanded.

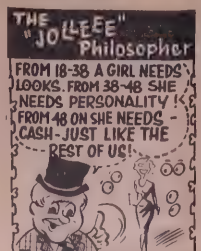

In this passage from Luke's Gospel, Jesus says a man must

deny himself. What does that mean? Peter once denied his Lord. He said, "I don't know the man."

To deny ourselves is to say, "I don't know myself." Self-denial begins with a conscious admission that I really don't know all there is to know of myself, and before I begin setting myself up as the most important thing in life, I had better see myself in the light of other people, but more importantly in the light of my Creator. To deny ourselves is not a matter of constantly saying no to oneself. For after all Jesus said that we were to love our neighbor as ourself. To deny ourselves is a matter of putting things in the right order. God first, our neighbors next and then ourselves.

But more than self-denial is required of those who would follow Christ. A person must be willing to take up his cross. What does that mean? It means being willing to undergo the absolutely worst thing possible for sake of being true to God. When Jesus was a lad of eleven, there was a rebellion against the Roman occupation in a town nearby Nazareth. The rebellion was squashed and swift punishment was meted out to the inhabitants of that small town. Two thousand of the rebels were crucified on crosses which lined the road-way, to act as a reminder and a deterrent to others who might try to rebel. To take up our cross means to be prepared to face things like that for loyalty to the cause of Christ.

Now the third condition of Christian Service is simply, "follow Me." But following Christ has lost its popularity. So many other things are sought after rather than an active following after things which Jesus did in His lifetime. There are still many situations in the world, both at home and far away, which are the things to which Christ wants redemption brought. Are we willing to follow Him into those areas of need?

Keeping it clean

with Bill Dodds

With a few strings attached... Where have all the rivers gone? Long time passing Where have all the good streams gone? Long time ago Where have all the fishes gone? Gone forever every one. When will they ever learn? When will they ever learn?

That little tune to the music of Where Have All the Flowers Gone is one of the numbers in a road show that will tour Ontario this summer.

It's a puppet show to entertain children in some of the places where they can be found. Pulling the strings are six students from Humber College's Creative and Communication Arts division. Their troupe is sponsored by the Ministry of the Environment under a SWEEP grant. That stands for Students Working in an Environmental Enhancement Program.

Right now the show is booked as far west as Kitchener, as far North as Orillia and as far East as Peterborough. The scripts, the sets, the puppets and the voices are all done by the students. The whole show is designed for portability. Ecologists - that's what they call it - can be set up in schools and libraries as easily as in parks and playgrounds. The cast of characters, Phineas Phish, Clarence Clam, Garbage Grabber and Blue Green Algae, are a bizarre crew; B. C. Algae, for example is a hairy blue-green monster. Their plays and skits are funny

with slight gags and good one-liners. But there's a message with all the fun. The message to the children who watch the shows is that our environment must be protected and that they have a real stake in the future.

During the 10-week run, the touring players are hoping to perform for 150 to 200 audiences, with two or three shows on each circuit. They hit the road late this month and I can't give you their itinerary, because it's not settled yet.

But watch this newspaper. If they come to town, this is where you'll find out about it. And I don't think anybody will complain if you bring your children and sit in to watch the show. Nobody's too old to enjoy a good puppet show.

Besides, maybe you'll learn something.

IN MEMORIAM

In loving memory of Jennie Martin, R.R. 2, Lakefield, who passed away June 18th, 1968. Asleep in God's beautiful Garden. Away from all sorrow and pain. Some day when life's journey is ended. We will all be together again. Ever remembered by Mom and Dad 24-1

GRAVER - In loving memory of a dear husband, father and grandfather, Wilfred Graver, who departed this life on June 18th, 1965. Memory is a lovely lane. Where hearts are ever true. A lane no one travels down. Because it leads to you. Loved, missed and ever remembered by his wife, May. 24-1 family

SEELEY - In loving memory of a dear husband and father, Orris Seeley, who passed away on June 15, 1971. The rolling stream of life rolls on. But still the vacant chair. Recalls the love, the voice, the smile. Of the one who once sat there. Always remembered by wife, Irene and sons, Chuck, Bill, Peter and daughter-in-law, Debra. 24-1

Students camp at Quin-Mo-Lac

Five grades of students from the Stirling Senior Public School spent part of a week during late May and June at Camp Quin-Mo-Lac on an educational learning excursion.

Junior students from Grades four, five, and six stayed at the camp from May 29 to June 2. The camp's group included 80 students, 16 from each of the five schools in the Centre Hastings area: Madoc, Madoc Township, Marmora, Tweed and Stirling.

At this junior camp, instruction was given in swimming, arts, integrated studies, science, camp cuisine, crafts, outdoor orienteering, copper-enamelling and contemporary camping.

Instructors from the Stirling school were Jim Graham and

Doug Phillips. Eight grade eight students from Stirling acted as councillors at the junior camp. They were Bill Slavin, Joanne Vaichar, Yvonne Boersma, Doug Keller, Sandra Trupp, Robert Jones, Jim Forestell and Donna Elliott.

Ed Fleming, vice-principal of the local school and Robert Taylor, a teacher at Madoc Township Public School, were the two directors at the junior camp.

Eighty students, 20 from Madoc, Marmora, Tweed and Stirling attended the intermediate camp that was held from June 5 to 9. Sharon Green and Joe McCauley acted as instructors from the local school.

Students at this camp were instructed in science, (stream science and natural science), wa-

tercrafts, land sports, art crafts, history, copper enamelling and drama.

Gerry Witherdon, vice-principal at the Tweed Public School and Dave Weir, educational assistant for the Centre Hastings area acted as directors at the intermediate camp.

Daytime nurses were staffed at the two camps through the Hastings and Prince Edward Counties Health Unit.

Mr. Fleming said this week that plans are already being made to begin meetings in late September to plan for next summer's camp excursions.

Record cards confidential

Legislation to ensure that student records are kept confidential was given first reading in the Legislature last week.

Education Minister Thomas Wells said the legislation clearly establishes the right of students and parents to have access to student record cards. The information contained on the cards will only be made available to persons, other than school staff and supervisors, on the written permission of the student or parent.

The legislation contains a clear procedure to correct any inaccuracies in the record should the information be disputed by a student or parent.

Another amendment will allow school boards and municipal authorities to share the planning, building and operating costs of recreational, cultural, educational and other community facilities.

The changes in legislation will also allow school boards to share teachers, administrative and other personnel and take part in joint construction programs and share the use of buildings.

Presbyterian women's group holds meeting

Mrs. Sheldon McIntosh, vice-president, presided for the June meeting of St. Andrew's Presbyterian Women held in the Sunday School Rooms.

The devotional service, based on the word "faith," opened with the singing of hymn 419, "My faith looks up to Thee." The scripture reading, taken from the chapter eleven of Hebrews, told of the faith of Noah, Abraham, Jacob and Sarah and many others. Prayer closed the worship service.

Rev. Roy Taylor was guest speaker and chose as his subject "Lydia, the seller of purple." Lydia was an unusual woman of her time. First, because she was a very successful business woman in a time when women did not go into business. Second, as a Gentile she became part of a small group of Jewish women who met outside Philippi to study the ancient Scripture and pray to God.

Paul, Luke and Silas learned of this group of women and brought Christ's message to them. These women felt the need to fulfill their need in their lives with a positive service to God. Many people say that Paul, Luke and Silas were the missionaries that built and established the Church at Philippi. Mr. Taylor stated "just as he was the guest speaker today, they were only guest speakers and the real missionaries were those women in the little group who gathered the church around them."

Just as Lydia stayed in her own country to do her mission work, a large portion of our W.M.S. money goes to support mission charges in Canada, students' colleges, Armagh and many other mission activities. We, like Lydia, have an obligation to our church, to our community, to help those around to attend church, to help in all the activities of our church. Think about it!

Just as God was able to come to the aid of Lydia and her friends, He is able to do the

same for any group of devoted Christian followers.

Mr. Taylor concluded by asking everyone to put their hands in the Hand of the Man from Galilee and walk by faith.

Appreciation of the ladies was expressed by Mrs. McIntosh. Twenty ladies and two visitors answered the roll call.

The offering was gathered and dedicated by Mrs. D. Fargey. The Minutes and correspondence were read by the secretary and twelve cards and numerous calls were reported.

Various items of business were discussed including catering to a wedding in the fall.

Mrs. Pearl McGee gave a reading of the "Always faithful Few." A paper, "The Faith of a Mother's Prayer," was given by Mrs. B. Cook.

School holds its annual field day

Students from the local senior elementary school, grades four to eight, held their annual track and field meet at the school playground field on Monday, June 12. Points in the meet were awarded to individuals and to home forms. Students from Room 208, a grade eight home form won the home form competitions. Jim Graham is the home form teacher.

Individual Atom girls winner was Kim Philip with three firsts. Pee Wee girls winner was Kim Andrews with three firsts while Mary Ellen Thompson was the Banjam girls winner with two firsts.

Atom boys winner was John Knapton with three firsts while Allan Irish finished in first place in the Pee Wee boys division with three firsts. Ken Kovach was the individual winner among the Banjam boys with three firsts while Ralph Dufoe was first in the Midget division with two firsts.

Stirling Senior School competed in the Centennial Area Track and Field Meet on Monday. The meet was held at the OSD field.

Canada Week to be observed

Something that has been going on in Canada for the past three years, an official chance to stand up and wave the Canadian flag, and promote things Canadian, begins next Monday and runs until July 2...it is known as Canada Week.

The purpose of this week, officially proclaimed elsewhere in the News-Argus by Reeve Robert Anderson, is to have Canadians focus attention on things Canadian, such as flying a Canadian flag from the house or flagpole if you have one. Perhaps there might be a Canadian emphasis on

the program at a service club or women's club meeting; perhaps plans made for some official program on the country's official birthday, July 1st.

As an example of the support this project receives, the chairman of the committee is the Prime Minister, P.E. Trudeau, and the co-chairman are the premiers of the 10 provinces. The central committee can arrange speakers, posters, and other related materials.

Canada as a nation is 105 years old this July 1.

Secretary-manager suggested for C of C

Stirling Chamber of Commerce held a joint meeting Tuesday of last week with the Rotary Club at Stirling Hotel. Following the Rotary meeting, chamber president, Arthur Loucks, chaired a general business meeting.

Mr. Loucks reported to the members the results of the recent survey conducted by the Chamber of Commerce of merchants in the town. The results of the four questions were as follows, with 16 replies being received of 34 sent out:

To the question, "Would you be prepared to participate in regular monthly meetings of the Retail Merchants Committee?" 11 said yes and 5 said no.

To the question, "Would you be prepared to accept an office on your Retail Merchants Committee?" five said yes and 11 said no.

The third question asked, "Would you be willing to contribute to the Retail Merchants Committee to complete a budget from which we can arrange approximately six major events this year, with this fee to be based on \$5.00 for every \$100.00 of your business taxes in order that all merchants will contribute fairly?" The reply was 15 for the proposal and one against.

The final question asked, "Would you be prepared to advertise in a local supplement in the newspaper if we were to obtain a prime rate to support approximately six major events?" Thirteen voted yes to this question and three voted no.

Also from the results of the survey, most people were in favor of holding some type of project to create interest in the Village.

A general discussion was held with various members voicing their opinion on how the Chamber could be strengthened in Stirling.

George Noble suggested that some person was needed to spearhead the C. of C., as a secretary-manager to promote regular meetings and act as a go-between for officers and members.

Wieger DeJong remarked that a little effort and organization was needed within the community to keep the Chamber of Commerce alive.

Graham Mouck felt that the

C. of C. should include more than the retail merchants. He noted that the whole community should be involved to create enthusiasm for not only Stirling but the surrounding trading area.

A steering committee was appointed to bring in a report at a reorganizational dinner meeting to be held in the near future. The

committee will endeavour to bring in a slate of officers and recommendations to establish an active Chamber of Commerce for Stirling.

The Steering Committee is headed by William Webber with David Duffin, Dave Gliddon, Mrs. Debra Sealey and Arthur Duncan as members.

Housing survey will be undertaken

Stirling and the three neighboring townships have agreed to ask the Ontario Housing Corporation to make a survey regarding the need for additional senior citizens' rent-gated-to-income housing.

During the past few weeks, Stirling has negotiated with the townships of Rawdon, Huntingdon and Sidney, and all three have filed letters of agreement. Stirling, being the locale where such housing would be built, is responsible for making the request.

The three townships and the village can be collectively responsible for up to a seven and

one-half per cent deficit on annual operations. These deficits are covered by separate agreements between the Village and Township.

Once the survey is made, and the need determined, then plans will be made as to site, size of the building and other details will be arranged.

The proposed housing would be built in Stirling since municipal services are available here. Stirling now has 12 senior citizens units and an additional 12 are under construction.

Occupation of the first units began a few weeks ago.

The annual Guide mother and daughter banquet was held on Tuesday, June 13 in St. Paul's United Church hall, after a Canada and grace were sung a turkey dinner was served.

Colleen Sine made the toast to the mothers and Mrs. Bob Hunter replied. The toast to the guides was made by Isobel Hoard and replied to by Snowy Owl, Ann Maguire.

Presentations were made to Snowy Owl, Ann Maguire, and Lt. Barbara Lassard who are leaving guiding at this time.

Next the Brownies were presented with the many badges they had earned during the year. The winning six for the year was the Sprites and they were given prizes for their good work. Several Brownies were given gifts for perfect attendance.

Tammy Parker was awarded an engraved scroll for the best all-around Brownie.

The Brownies entertained with some songs and then proceeded to the Fly-Up ceremony in which six Brownies flew up to Guides. They were Jane Forrit, Margie Barnard, Heather Hoard, Mary Reid, Colleen Sine, and Cheryl Wannamaker.

After the Guide badge report for girls was presented with the Challenge Badge. These girls were Karen Clarke, Linda Hoard, Susan Whattam and Karen Wood. Isobel Hoard and Janice Morton have proceeded one step further and were presented with the Challenge Emblem.

The winning patrol for the year was the Oriole Patrol and these girls were awarded prizes.

Following the presentation the Guides entertained with a mock camp, a short insight into some of the happenings at their recent weekend camp at Waupoos.

Then the colours were marched off and Brownie Taps and Guide Taps were sung.

Spring Brook UCW entertains Senior Citizens

There were over 60 present at the Senior Citizens meeting on Thursday. This proved to be one of our red letter days as we were right royally entertained by the U.C.W. of Spring Brook.

Grace McKeown convened the meeting and acted as chairlady. She introduced to us Jack Austin of 'Wooler' whose colorful slides of birds and other wild life are "the greatest." Jack's commentary was very descriptive and also humorous. Grace then turned her assisting girls loose and you never saw so many beautiful and tasty sandwiches.

Three Spring Brook girls and two of our own were celebrating June birthdays.

The birthday song rang out to these girls who were from (39) to 91 years old and a great big cake was cut and served with a liberal cut of ice cream. President Fred Heasman thanked the girls for their kindness and a special thanks was included to Jack Austin for showing us his famous slides of wild life.

President Fred led us in two rounds of singing with Margaret Fitchett playing our new piano. We owe Bill Webber and other youngsters a great big thanks for delivering the piano to us. When he asked for the bill he said, "Oh, just give me a few pies to take into the hunting camp to tell fall. We'll try not to forget bill, and in the meantime, thank you."

Keep in mind that we have accepted an invitation to join the Frankford club at the Fish and Game Club to a picnic on Wednesday, June 28 from 3 to 6 p.m. Pack a basket and be at the club room shortly after 2 p.m. Rides will be waiting there.

You will be expected to sing, dance or whistle as we have promised to help on the program.

Drama club, bands perform in Stirling

Students of the Stirling Senior Elementary school's drama club and the combined Stirling, Frankford, and Tweed School Band teamed up on Thursday and Friday evenings to present a program of plays, short skits and a number of musical selections.

Who Does the Dishes Tonight and Dr. Dobbs' Assistant, two one-act comedies were presented on Thursday evening by members of the drama club. The school's club is directed by Mrs. Burton Morton and Mrs. Dennis Green, both senior school teachers.

Performing in the first two plays were Mary Ellen Thompson, Pauline Maxwell, Brian Monteith, Paul Munro, Helen Rose, Jim Fry, Louis Westfall, Steven Benson, Thomas Hassall and Glen Thompson.

During the Thursday evening program, short skits were given by other members of the drama club: Arthur Tunman, Michael Kerby, Joanne Valchar, Debbie

Sine, Brian Kerby, Sandra Fleming, Margaret Hoard, Kevin Bray and Robert Webber.

Performing in the Friday night plays, *Insomnia* and *A Date for Bobby Sox* were Arthur Tunman, Robert Webber, Kevin Bray, Michael Kerby, Sandra Fleming, Margaret Hoard, Donna Elliott, Dean Keck, Diane Poole, Linda Rainie and Jim Fry.

The first play concerned a man, Mr. Sleepless who ordered a room in a hotel so he could get a good night's sleep, something he claims he has not had for 20 years. He is able to sleep through many disturbances, robberies, moving of furniture in the next room but the slight movements of a cat across his room wakes him up in a rage.

The second one-act comedy was about a household where everyone came home late. With each member of the house coming in late and finding the other members still up, each promises not to say a word about each other's lateness.

Skits were also performed during the evening by the members of the school's drama club.

During the two evening programs, the combined Stirling, Frankford, and Tweed School Band performed a number of musical selections.

The combined band is directed by Maurice Bell of Stirling, Mr.

Bell teaches music at the Stirling and Frankford schools. Students from Grades two to eight perform in the band. Mr. Bell holds individual lessons during the week and each Tuesday afternoon band members from the Stirling, Frankford and Tweed schools meet for a combined practise.

The band consists of 120 students. Two principals play in the combined band, George Patton, principal of the Stirling-Marsh Hill School and David Farmer, vice-principal of the Frankford School.

Musical numbers were also given by individual band members. They were Brenda Bauer, Chris Faires and Debbie Taylor with Jolly St. Nicholas, a clarinet number; Jim Watson, Betty Gould, Sherry Farrell, Kevin Bray, Heather Marshall and Linda York with a trumpet and baritone sextette; Janet Bauer, Robert Weese, Kelly Moran, Laurie Blank, Toosie Vanhulzen, Ruth Evers, Lorrie Rodgers, Susan Williams, Leslie Cormack and Randy Moore with a clarinet choir.

A vocal quartet of Jim Watson, Kim and Kevin Bray, and Mark Bissell also performed. A tap dance number was performed by Craig Loucks while Yvonne Chaitin's Heart was sung by Brian Duxator.

Anglican bishop visits

On Wednesday evening June 14 a most impressive Confirmation ceremony was held in St. John's Anglican Church, Stirling. The Rt. Rev. J. B. Creighton, Anglican bishop of Ontario conducted the Apostolic Rite of Laying on of Hands.

The twelve candidates were presented by the rector, Rev. Charles Staples. The church was tastefully decorated in spring flowers, and a large congregation was in attendance to witness the confirmations renew their baptismal vows.

Special music was selected by the choir, which was an augmented group, combining the choirs of Frankford and Stirling. The choir sang as the anthem, "O, Lord give thy Holy Spirit into our hearts," by Tallis, in a more meditative mood, the Bishop led in the singing of an ancient plainsong hymn, "Come Holy Spirit our souls inspire."

Among the candidates confirmed were the following from the Stirling area: Richard Barnard, Diane Kleinert, Denise Morgan, Christine McGee, Douglas Murray, Joyce Sees, Paul Sees and Rodney McKeown.

Following the service, the ladies of the A.C.W. served refreshments to the many friends and relatives of the candidates, many of whom came from distant places to witness the confirmation of their particular child. During the reception each candidate was presented with a small book for personal devotion.

Contest winners are announced

Mrs. Carlyn Andrews, R.R. 4, Marmora, is the fifth voucher winner in the "Spot the Merchants" Contest being published in the Stirling News-Argus. She wins \$50.00 vouchers from Shaw's Shoe Store, Montgomery's Service Station and Stedman's Dealer Store.

News-Argus Notebook

TAXES WILL NOT RISE -- At a special meeting of Rawdon Township Council it was announced that the mill rate for the township will remain the same as last year. The residential and farm rate is .95, 3 mills and the commercial rate is 104.2 mills.

DEER IS SIGHTED -- While driving to work on Monday morning News-Argus reporter Roy Lewis saw a young deer near Highway 33 just south of Stirling. The sound of the car frightened the animal and it fled in an easterly direction towards the Oak Hills.

VANDALS VISIT CHURCH -- Worshipers arriving for church at St. Andrew's, West Huntingdon, Sunday morning found there was no power. Further investigation in the basement revealed that the main switch had NOT been pulled, but that someone had helped himself to the fuses. As a result Rev. Roy Taylor said he had to squint a little to see his sermon notes.

Upon examining the basement, the floor was found littered with glass and two windows smashed.

PRESENT PULPIT FALL -- A new pulpit fall was dedicated Sunday morning at St. Andrew's Presbyterian Church, Stirling. It was presented by the Dufoe family in memory of Mr. and Mrs. Lloyd Dufoe.

Renovations take place at Picton

Tenders will be called this week by the Honourable James W. Snow, Minister of Government Services, for renovations to Unit 2 of the Craig Barracks building at Prince Edward Heights Picton, for the Ministry of Health. Estimated cost of the project is \$370,000.

Craig Barracks are part of the former Canadian Armed Forces Camp Picton, of which a large section was purchased in 1970 from the federal government by the province for the purpose of establishing a facility for the mentally retarded.

The facility is now functioning in the group of buildings known as the Village Complex, and the conversion of Unit 2 forms part of the renovation program currently under construction in the Craig Complex. Extensive renovations have recently been carried out on Unit 1, which is now

almost ready to accommodate 100 seriously retarded persons of both sexes.

Mr. Snow said that the renovations, designed by Government Services staff call for conversion of 34,000 sq. ft. of the existing three-storey barracks building to provide administration offices, infirmary and health service areas. Plans also include installation of a new elevator, and construction of a new entrance as well as a 2,000 sq. ft. connecting link to the central kitchen and storage building, on which alteration work started last month.

In addition, the current tender documents for Craig Unit 2 specify new washrooms, lighting, suspended acoustic ceilings, floor and wall finishes, and interior and exterior painting.

Work on this section of the Prince Edward Heights project is expected to be complete within six months of a contract award.

Pipe bands will enter competition

Nearly 20 pipe bands, representing cities and towns of eastern Ontario and western Quebec, from a triangular area bounded by Belleville-Petawawa-Montreal, including Kingston's Rob Roy Pipe Band; Belleville/Cobourg Competition Pipe Band and Napawan District Pipe Band are expected to participate in the City of Ottawa Highland Games at Lansdowne Park on Sunday, July 2, which is part of Festival Canada.

Not exclusively a Highland happening, the day-long holiday event will feature "something for everyone" according to Canadian Forces Pipe Major A. M. Cairns, Games Co-ordinator.

Included are a marathon foot race, a canoe race and a bicycle race, each of which will finish up at the site to join other events with a Scottish flavour: tug-of-war, caber toss, Highland and Scottish Country Dancing, pipe band and solo piping and drumming competitions.

Controller E. Jones, Games Chairman, states that the Official Opening is slated for 1 p.m., and plans call for the military band and scarlet-coated Guards detachment from Parliament Hill, where they regularly perform the Changing the Guard ceremony, to provide the Guard of Honor for His Worship Mayor J. P. Benoit who will open the Games.

The first such city-sponsored Games ever to be staged in Ottawa is free to the general public. No admission will be charged, and the gates open at 9 a.m. A massed Band of over

200 Pipers and Drummers, plus massed Highland and Scottish Dancers and the Ottawa Scottish Singers will present a Grand Finale at approximately 4:30 p.m.

Ontario has fast growth

Only two counties between Kingston on the east and Whitby on the west managed to exceed Ontario's average growth rate of 10.7 per cent between 1966 and 1971, according to census figures released today by Statistics Canada.

Ontario county, whose 14.9 per cent population increase was tenth highest in the province and Lennox and Addington, in 14th place with a 12.5 per cent gain led the eight counties that stand between Kingston and Toronto.

Peterborough, moving from 81,959 to 87,804 for a growth rate of 7.1 per cent was third of this group and Durham (6.6 per cent) fourth.

Lowest in percentage gain (4.7 per cent) but fourth in actual population increase (4,574) was Frontenac county. Only Ontario, Peterborough and Hastings counties had higher numerical increases.

Statistics Canada publication No. 92-753, containing this information, is one of some 300 census reports to be produced during the next two years, examining census data in great detail. Approximately 100 will be published before the end of 1972 and most of the balance in 1973.

4-H HONORS STUDENT

Virginia Pollock, member of the Harold Henders Girls 4-H Club, receives the Wellman's Women's Institute spoon from Mrs. John Carlisle, (left), president of the Institute. Virginia received the souvenir spoon last Tuesday night at a special dinner held for the nine girls that belong to the 4-H club. Virginia was the only girl to receive Provincial Honors at a recent achievement day.

Wellman's WI holds meeting

On Tuesday evening, June 13, the ladies of Wellman's Women's Institute held a pot luck supper in honor of Miss Virginia Pollock who had recently achieved Provincial Honors in 4-H Home-making Clubs.

The tables were very attractive with vases of peonies, iris and spirea. Seated at the head table were the guest of honor, her mother, Mrs. James Pollock; and the club leaders, Mrs.

Ross Kern, and Mrs. Leslie Nelson as well as the institute president, Mrs. John Carlisle.

After supper a short program of contests and games was enjoyed by all. Mrs. McGee and Mrs. Gerald Clancy each contributed a number. Mrs. Carlisle spoke a few words to Virginia and presented her with a gift. Miss Pollock expressed her appreciation to the ladies.

Mr. and Mrs. Don Johnston with Mrs. Elta Farrell.

Mr. and Mrs. Elwood Waltand

family with father Ina Walt. Mr. Charlie Lott spent Monday at his home.

Mrs. Arthur Keegan spent Saturday afternoon at her home.

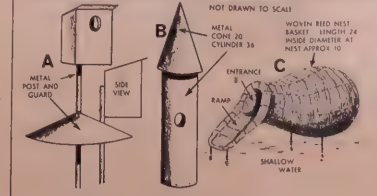

Everyone was glad to see Mrs. Janice Stiles when she was back for a few days.

Members of the congregation of the Pentecostal Church held a sing song service at the Towers Thursday night. The minister and his wife, Mr. and Mrs. MacDonald are leaving for Florida.

Members of the Free Pilgrims Church near Belleville came and held a service on Sunday afternoon.

Greetings are extended to Charlie Conley who will observe his birthday on Friday.

MARSH WORLD by ANGUS SHORT Ducks Unlimited

DUCK MOTELS

Ducks utilize many types of nesting sites, from a crude box or old tire casing to specially designed ones catering to individual needs.

A - Nesting box for tree ducks, supported on a metal pole with an anti-predator umbrella-shaped metal guard. The box is of wood with a wide-angle entrance 3"x4". B - All-metal wood-duck nest chamber, the cone flares out 3" over the nest section to prevent raccoons from entering. The entrance is 12" below rim of the cone to discourage even the largest raccoon. C - A tried and proven design, a basket woven of reeds and wire. Placed around marsh edges in a few inches of water they are accepted by mallard.

"SPOT the Merchants" CONTEST

RULES

The Stirling News-Argus is offering its readers a chance to win valuable prizes in the exciting new "Spot the Merchants" Contest. Identify as many of the above photographs as you can. (NOTE: The individuals, by name, but the places where they are located, are listed in the contest.) A clue taken from, or pertaining to, their names is published below each one. Patronize the advertisers in this contest and obtain your official entry forms or reasonable facsimile, complete and mail or deliver to THE CONTEST EDITOR, The Stirling News-Argus, to reach here on or before Tuesday noon of next week.

The first fifty correct answers drawn each week will be awarded prizes and all names of this week's lucky winners will be published in next Wednesday's Stirling News-Argus. Winners will also be notified by mail. Remember to patronize the merchants who have helped make this contest possible and obtain your entry forms. You may enter as often as you wish, providing a separate contest entry form is enclosed with each entry. There is NO limit to the number of prizes a reader may win.

All readers of the Stirling News-Argus are eligible to compete with the exception of the newspaper staff and their immediate families and their advertising agencies. Entries are not returnable and the judge's decision must be accepted as final.

IN MEMORIAM

WARREN - In loving memory of a dear father, H. Walter Warren who passed away June 19th, 1963. There are two sons who miss you. And find time long since you went. We think of you daily and weekly. But try to be brave and content. Tears that we shed are in silence. And we breathe a sigh of regret. For you were our Dad and we remember. Though the rest of the world may forget. Always remembered and dearly loved by Sons, Allyn and Douglas and wives Marian and Terry and families. 25-1

COME, MEET YOUR FRIENDS AND ENJOY AN EVENING OF GOOD FOOD AND FELLOWSHIP

8 THE STIRLING NEWS-ARGUS, Wednesday, June 21, 1972

Mount Pleasant UCW

(By Mrs. Percy MacMullen)
The June meeting of Mount Pleasant United Church Women was held in the hall on Wednesday evening with over 60 ladies in attendance. There were 25

guests from Bonarlaw, Burnbrae, Hoards, Carmel, Wellmans, River Valley, Stirling and Spring Brook.
Several bouquets of peonies and other summer flowers were

used for decoration. The worship centre featured the Bible, lighted candles, flowers and a plaque, "God Bless our Happy Home."
Mrs. Jody Sager was pianist for the hymns.

The president, Mrs. Robert Hoard, opened with a poem entitled "Friendship, All sang, Jesus is the Man for Me," from the new hymnary. Each member introduced her friend.

Miss Brenda Williams read the minutes and the roll call was answered with visitations made to homes and hospitals. The proceeds from the special canvass were forwarded to Toronto for the World Development and Relief Fund.

Mrs. Burton Sharpe gave the financial statement. Mrs. Harvey Couch gave a report of the proceeds from the Weaver auction sale for refreshments sold. For the next meeting the Messenger group will furnish the program and the mothers will provide the refreshments.

The U.C.W. will cater at the Hickson sale barn in July.
Mrs. William McAdam and Mrs. Milton Shaw were in charge of the program on the theme, "The Art of Living." This included a poem, a hymn, "O Master let me walk with Thee" and prayer.

Mrs. Paul Jeffs and Mrs. Jack Oliver sang with Miss Jill McAdam as accompanist. Mrs. Kenneth Weaver read Psalm 15. Mrs. Shaw read the meditation which stressed that the mother sets the way for love, laughter and many other things in the home. The mother should look to the needs of her children. She plans for tomorrow and she tries to make a Christian home for her family.

Mrs. Robert Merrick and Mrs. Archie Bailey gathered the offering which Mrs. Claire Knight dedicated. A short sing song of old favorite hymns of bygone days followed and included, "Bringing in the Sheaves," "When the Roll is Called Up Yonder" and "Leaning on the Everlasting Arms." Mrs. Shaw introduced Mrs. George B. Ridley, who with her husband, are in charge of Wingfield Home for retarded children and Wingfield School. Mrs. Ridley and her husband are both teachers and they have 24 children and adults in residence. There are both boys and girls and the youngest is eight years of age and the oldest is 32.

They have four children of their own. The Ridley's came to the former William's home on the town-line between Seymour and Rawdon in January, 1964. The late David Williams built this lovely home in 1878 and later Mr. and Mrs. James Williams resided there. After their death Rev. and Mrs. Toombs of Campbellford, who had a retarded child of their own bought this property and made added improvements. They named it "The House of Happiness." During the years a new residence has been built for girls.

After the Ridley's came the place was renamed Wingfield. Later, the former Allan Public School at Mount Pleasant was purchased and several of the children are given some educational lessons for two hours daily. Mr. and Mrs. Philip Baldwin are members of the staff and he is an experienced farmer. The children are all anxious to do chores on the farm and the older children look after the younger ones.

Each Wednesday night a group of 10 children from Quinte Secondary School come to help with various handicrafts. Mrs. Ridley told of their trip to Georgia by chartered bus when Franklin Smith of Marshora, transported 34 staff and children on a 23 hour drive to Decatur,

Georgia. Her brother, Rev. John Smith, pastor of Oakhurst Baptist Church and his congregation arranged for their stay from March 20 to 23. The group carried their own pillow and a shopping bag of clothes. It was a highlight in the life of the children as they were Canadian tourers and each had something memorable to remember about the trip. Arrangements were made for them to sleep in the church. Last year they all enjoyed a camping trip for a week and were situated near Upper Canada Village.

Mrs. Ridley presented a large collection of pictures which showed various scenes at the farm, around the home, at the school, views of their sight-seeing in Florida and of the camping trip. Visitors are always welcome and several teachers have come to the Wingfield School which was opened in September, 1970. Here the Distar language, reading and arithmetic programs are taught and the children are very responsive to this method.

Mrs. McAdam voiced appreciative thanks to the speaker and made the presentation of a gift of remembrance.

Mrs. Paul Jeffs and Mrs. Jack Oliver sang, "If I can help Someone" and the benediction followed.
For the social hour Mrs. Stanley Williams, Mrs. Douglas Campbell and Miss Brenda Williams furnished refreshments. Mrs. Robert C. Hoard of Hoards' U.C.W. voiced thanks on behalf of all the guests in attendance.

Minto

(By Mrs. Lindsay Tanner)
Mr. and Mrs. Theodore Post of Aspley spent Monday with Mr. and Mrs. Lindsay Tanner and Mac Anderson.

Mrs. Elsie Hardcastle of Toronto spent the week with her daughter and husband, Mr. and Mrs. Wilfred Waters and family.

Mrs. Myrtle Brady was a guest of Mr. and Mrs. Ralph Peeyer of Campbellford for a few days last week.

Mrs. Grant Kite visited Mrs. Leon Bruce of Windsor last week. Mr. and Mrs. Bob Woods of Strick, Mrs. Sara Huntington and Richard of Strick, Eng. called on Mr. and Mrs. Lindsay Tanner Thursday afternoon. Mrs. Woods and Mrs. Huntington were Stout sisters.

Mr. and Mrs. Percy Mumby of Strick, Brook and Mr. and Mrs. Melville Gibson of Campbellford called on Mr. and Mrs. Phil Vance Sunday afternoon.

Mr. and Mrs. Ed Golden spent Sunday evening with Mr. and Mrs. Ted Golden on Belleville. Mr. and Mrs. Harry Kelsey of Canton, Ohio called on Mrs. Margaret Keller Sunday afternoon.

Woman is honored

Last Monday evening, several neighbors and friends of the West Huntingdon church and community gathered at the home of Mr. and Mrs. Harold Thompson to spend an evening with Mrs. Harry Thompson who is now residing in Strling.

Barton Haggerty was chairman for a program which opened with community singing accompanied by Mrs. Roy Taylor. Readings were given by Mrs. Dan Cooke and John McIntyre, Larry LaRue and daughters Gail, Heather and Debbie sang several songs with guitar accompaniment. Mrs. B. Haggerty read an address and David Fargy made the presentation of a pole lamp, a hassock and a gift of money.

Mrs. Thompson replied with thanks expressing memories of the West Huntingdon community church, Mrs. John Wallace and Rev. Roy Taylor's brief reply. The ladies served lunch and a social hour followed.

PNG Club holds meeting

The past Noble Grands held their June meeting at Sun Luck Gardens where 32 members enjoyed a delightful dinner in the banquet room.

The president, Sis, Eileen Woodcock, was unable to attend because of illness and Sis, Nora Wannamaker conducted the meeting, which she opened with a short reading.

All members were in favour of sponsoring our foster child for another year. Sis, Gladys Elliott was presented with a gift from the president on the occasion of her forthcoming birthday. All members were asked to remember their "unknown friend" during the summer recess.

The September meeting will be held at the home of Sis, Edna Fox. The meeting closed with the mizpah benediction. Sis, Irma Clancy conducted a short program of readings, which brought to a close an enjoyable evening.

The June meeting of Chatterton W.I. was held Wednesday evening, June 14, at the home of Mrs. W. Dixon.

The meeting was opened by the president, Mrs. D. Little, with a reading, "The Value of a Smile," followed by all members repeating the Institute Ode and the Mary Stewart Collect.

Roll call, name a small local industry, was answered by 10 members. Minutes of the last meeting were read by the secretary, Mrs. A. Carson, followed by a financial report from the treasurer, Mrs. W. D. Dixon.

A reading, "Farmer's Stick to Milk Cans," was given by Mrs. Lorne Reid in her committee report on Agriculture and Canadian Industries. Mrs. Floyd MacInnes, Chatterton W.I.'s delegate to the District Annual gave a very interesting report. She mentioned there are 1,318 branches in Ontario, gave the highlights of the guest speaker's (Mrs. Bride) message. She also told us the Area Convention would be held in October at Northminster Church in Peterborough.

Mrs. Smith relayed an invitation to visit Mrs. Murphy at her home in Toronto around mid-July. Since many of the members

felt that they would be unable to go at that time, it was decided to thank Mrs. Murphy for the invitation but decline.

A rummage and bake sale was discussed. It was decided to make plans for a fall date as yet undecided.

The program on Canadian Industries was convened by Mrs. A. Donaldson with the help of Mrs. A. Carson.

A reading was given by Mrs. G. Irvine about a talk given by an Inuvik Indian to the Swedish people. Mrs. Smith read a news release concerning hairnets provided for longer haired German soldiers that are now being used as helmet camouflage as the German Army has returned to a short hair policy for its men.

Mrs. F. MacInnes read about the barge Phoenix bringing in synthetic alcohol to the harbour at Belleville. The alcohol is used by Union Carbide.

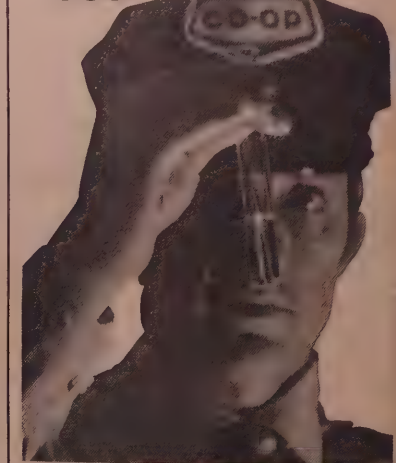

Mrs. A. Donaldson gave a paper on co-operatives in Canada with particular reference to the local branch of United Co-operatives at Foxboro.

A short contest involving products made locally was won by Mrs. D. Little. The benediction was said followed by the Institute Grace, A

Merrywood Camp has been expanded

Since 1948, Merrywood Camp for crippled children has attracted many visitors who come to see the program and facilities owned and operated by the Ontario Society for Crippled Children.

Their initial surprise at seeing 22 permanent buildings in a 30 acre landscaped lakefront setting is therefore quite understandable.

However, this natural reaction sometimes tends to obscure the role of those Easter Seal service clubs whose generosity has made it possible to meet the various needs of up to 12 handicapped youngsters at any one time.

In 1949, campers' cabins were provided by Kingston, Ottawa and Smiths Falls Rotary Clubs, and a cabin was equipped and furnished by the Rotary Club of Belleville.

Brookville Rotary donated the Arts and Crafts building in memory of Constance M. Beattie and a boat house converted to a staff building was furnished by Kempenfelt Rotary.

An infirmary was erected with the assistance of Perth Rotary and a dark room was equipped and maintained by the Coronation Club and Rotary Anns of Smiths Falls.

In 1957, the Rotary Club of Ottawa donated a heating plant. In 1958, an old building originally used as a main lodge and staff quarters was relegated to a storage unit and the Ontario Sportswriters and Sportscasters Association donated sufficient funds from their Sports

Celebrities Dinner to build a fine new main lodge.

Furnishings and equipment for this new building were provided by the Cornwall City Police Association, Districts 10 and 11 of the Ontario Provincial Police Association, the Kiwanis Club of Cornwall, the Coronation Club of Smith's Falls and the Rotary Clubs of Kempenfelt, Ottawa and Smiths Falls.

In 1965, a new recreation building, Merrywood Hall was added.

On July 2 this year, Merrywood will celebrate its Silver Anniversary and again looks forward to the first lot of 72 eager youngsters from Eastern Ontario. By the end of August, 288 boys and girls will have benefited from a memorable two weeks of summer fun and relaxation, thanks to the efforts of these service clubs and the generosity of the people of Ontario.

For those who would like to inspect the camp at their leisure, Merrywood will be holding its annual Camp Open House on Sunday, July 9, from 2:30 to 5:30 p.m. The Ontario Society for Crippled Children, its 230 affiliated Easter Seal service clubs and the children extend a cordial invitation to drop in and see the facilities and program in action.

Look for the Merrywood Camp signs at Port Elmsley, midway between Perth and Smiths Falls. Drive in, park the car and stay awhile. It's really your camp, thanks to your Easter Seal donations.

WALTER H. SCOTT

A local resident all his life, Walter Hugh Scott died in Hastings Manor June 13 at the age of 86.

Mr. Scott was born on the fourth concession of Rawdon Township, son of Mr. and Mrs. William Ezekiel Scott, and lived for many years at Wellman's Corners before moving to the manor three years ago.

He was a member of Orange Lodge 172 and Royal Black Preceptory 747.

His education came at Allan Public School on Hubble Hill, Mt. Pleasant.

He was a member of the United Church.

Surviving are his wife, the former Maud Hubble; a daughter Helen May Hutchison of Alderwood; three grandsons and two great-grandchildren. A brother, William, predeceased him.

At the funeral service on June 16 Rev. W.C. Cox officiated, with interment in Wellman's Cemetery in Rawdon Township. Bearers were Gerald Russett, Douglas and Keith Clancy, John Sharpe, Lloyd King and Byron Seely.

Holloway

A number of ladies attended a blossom tea and bake sale in the Baptist church hall. Claude MacInnes is a patient in Belleville General Hospital. Mr. and Mrs. Eugene Tully entertained Mr. and Mrs. Frank Robinson of Madoc on their wedding anniversary.

Mr. and Mrs. Lorne Reid and Gary spent Sunday with Mr. and Mrs. Fred Rich of Unionville.

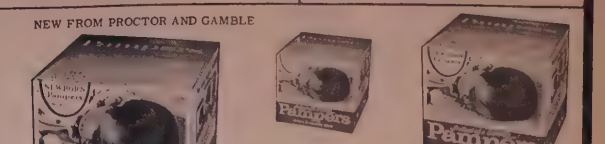

Miss Gladys Dixon of Ottawa spent the weekend with Mr. and Mrs. Clayton Reids.

Mr. and Mrs. Wendell Pond and boys of Bramalea spent the weekend in the community.

Mr. and Mrs. Delbert Datoe spent the weekend visiting relatives in Bancroft.

STIRLING, ONTARIO, WEDNESDAY, JUNE 28, 1972

15 CENTS

Prominent man dies suddenly

Stirling lost one of its most prominent citizens on Friday, June 23, 1972 in the passing of William C. West, 79, James St. Reeve of Stirling for many years and a past county warden, Mr. West died suddenly at his summer home at Limerick Lake, in his 79th year.

He was reeve of Stirling for 13 years, served as warden of Hastings County in 1936 and was active in business community life.

Born in Chandos township, he was the son of the late Mr. and Mrs. John R. West and resided in Stockdale before moving to Stirling 48 years ago.

He was formerly the president of Stirling Creameries, a business still carried on by the family.

Mr. West was a member and past elder of St. Paul's United Church in Stirling, was a life member of AF and AM No. 69, Stirling, Keystone Chapter No. 78, Stirling, King Baldwin Precinctory No. 6, Belleville, and the Ramesses Shrine Temple of Toronto.

He served as reeve of the vil-

lage during the years 1932-36 and 1939-47. He also served as councillor for four years.

He is survived by his wife, the former Elizabeth Jane Tanner; three sons, Harold, Clarence and Russell, all of Stirling; and two daughters, Mrs. David (Evelyn) Duffin of Stirling and Mrs. William (Marabelle) Clare of Belleville, 18 grandchildren and four great grandsons.

Two brothers, John and Elliott and a sister Laura, predeceased him.

Mr. West rested at his late residence in Stirling. The funeral service was conducted in St. Paul's United Church on Monday, June 26 with Rev. John A. May officiating.

A Masonic Memorial service was conducted at the residence on Sunday evening, under the direction of Stirling Lodge No. 69.

Interment took place in Stirling Cemetery.

Bearers were William Heath, Rev. W.C. Cox, Burton Morton, Clayton Thompson, Gordon Bailey and Craig Watson.

Planning meeting sparsely attended

Stirling's Official Plan, which designates all phases of growth in the village, and where specific types of development will take place, cleared its last local hurdle last week and should be in effect in a few months.

At a public meeting attended by five ratepayers, plus councillors, village officials, and the press, certain changes made in land designation in the past two years were explained. The principal changes were in reducing the amount of industrial land and residential land, and having it designated as development land for the present. It could be changed if required at a later date. There was only one objection to the plan as presented, and that

was a request by Roy Tucker to have two or three building lots in the west end of town changed from development land to residential.

Several people present asked clarifying questions about some specific areas.

The meeting was opened and closed by Reeve Robert Anderson, and the presentation handled by George Cressman, representing the consulting firm of Phillips Planning and Engineering Ltd. The changes now become official, and one of the language of the zoning bylaw, which accompanies the plan, is changed to conform with the plan. It can be officially approved by the minister of Municipal Affairs and become law.

CHURCH WORKERS RETIRE

Choir director of St. Paul's United Church, Mrs. William Grant, left, and church organist, Mrs. Harry Brown retired on Sunday, Mrs. Brown

was presented with a painting and Mrs. Grant received an edition of the new church hymnary. Presentation of the gifts was made by Craig Watson, Chairman of the church's music committee. Mr. Brown was also present for the presentation of the painting.

Organist, director retire

St. Paul's United Church organist, Mrs. Harry Brown, and choir director, Mrs. William Grant, retired on Sunday, Craig Watson, chairman of the church's music committee, presented Mrs. Brown with an oil painting of a scene in the Oak Hills. The painting was done by Madeline McIntosh of Stirling.

Mrs. William Grant was presented with a new church hymnary. She has been the choir director at the church for the past three years. Mrs. Grant previously had been soloist at St. Alban's Cathedral and Humbly Grove United Church in Toronto.

Mrs. Harry Brown retires as organist at St. Paul's after 18 years of service. She had been organist before coming to Stirling at Christ Church, St. Thomas' Anglican, St. George's and St. Margaret's on the Hill, all in Belleville.

Mrs. Brown presented the key of the organ to Mrs. Ernest Brown of Frankford who will be the new organist and choir director.

Contest winners are announced

Doug Bastedo, 174 Church St., Stirling, is the final big winner in the "Spot the Merchants Contest" which has been in the News-Argus for the past six weeks. He received merchandise vouchers from Jerry's Motorcycle Sales and Foxboro Fabrics in

Foxboro and John's Dairy Store in Stirling.

Other consolation winners this week are Allan J. Boonhour, R.R. 3, Frankford; B.J. Poplach, 114 East Main St., Belleville; Sharon McIntyre and Marie Ray, Spring Brook; Sarah Barnard, R.R. 5, Madoc; plus the following from Stirling and area: Nathan Wannamaker, Kim Philip, Janice Morton, Janet Munro, Mrs. R. Floud, Terry Armstrong, Mary Danford, Robert Robson, John Knapton, Mrs. Grant, Hobbie, Phillip LaChapelle, Margaret Wood, P. Conley, Patsy Norma Kovach, Mrs. Raymond Soimes, Gladys McAdam, Carol Akey, Phyllis Fox, Bill Morton, Jack Fleming, Bonnie Danford, Mark Montgomery, Mrs. Fred Wood, Donald C. Wood, Judi Meeks, Mrs. Carol Vilett, Margaret Carew, Arthur G. Dickens, Mrs. Pat Meeks, Mrs. John Morgan, Diane Fox, Bill Reid, Bob Smith, Suzanne Morgan, Judy Tucker, Ron McCrory, Mrs. Joyce Bennett, Shannon McCrory, Andy Turfitt, Steve Jones, Richard Bennett, and Douglas Cooke.

Senior Citizens photographed

The prizes at Senior Citizens on Thursday went to Mabel Brooks and Percy MacMullen for high and to Martha Wood and Gord Bailey for low. George McMullen tied Gord but Gord beat him to the draw. Those who lost had a lot of fun doing it and we all enjoyed a tasty lunch provided by Luella Bronson, Tilley Senior, Mary Cooke and Bessie Patterson. Mina Smith baked a beautiful cake for Luella Bronson who was celebrating a birthday.

"How old did you say you were?" asked the doctor of his patient. "I never mention my age," replied the young woman, "but as a matter of fact, I've just reached 21." "Indeed," said the doctor, "what detained you?"

Thom Reynolds attended our meeting and took several shots at us. He may be hunting material for the rogues gallery. We will be at a picnic on Wednesday but will carry on as usual on Thursday with our regular meeting.

They say that Ireland is the richest country in the world because its capital is always Dublin.

Weekend store hours

Store hours in Stirling this weekend, labelled Canada or Dominion Day, will be a real hodge podge, but no different than most other communities. The problem stems from the fact local stores want to compete with other nearby municipalities and don't have any firm policy either. Definitely closed both Saturday and Monday are the local bank and post office, along with Bob Patterson's Men's Wear, Nobles Drug Store and Burrell's Jewellery.

It is expected Bird's IGA, Klompfakers Brothers Groceries, along with most other businesses, will be open for business Saturday and closed Monday. The problem with Dominion Day, unlike most other holidays is that it can only really come one day, July 1. Each year there is much discussion about whether to close or not. Complicating the picture is that firms governed by union contracts must give their employees a day off if the holiday comes, as it does this year, on a weekend.

LOL MEETING

The Semi-annual Meeting of Central Hastings County L.O.L. was recently in Flinton. Due to the large number in attendance the meeting was held in the Community Hall.

County Master Bro. Gavin Adams presided over the session, the highlight of which was the conferring of the Royal Arch Degree on two candidates by a degree team from Elliotts L.O.L. 392.

Study points up school failures

Hastings county residents are spending \$23 million to educate their children.

Are they getting their money's worth?

Trustees made an attempt to find out this spring, and the results of their efforts were presented at Centennial Secondary School auditorium.

Two factors seemed to dominate the discussion. Graduates can't read, write or spell. And those still in school need more help from guidance teachers in choosing the courses best suited to their ambitions.

An audience of teachers, with a handful of parents and some stalwarts from Quinte Labor Council, made up the invited audience that heard the report of trustees' committees on course of studies.

No conclusions were reached. That wasn't the purpose of the meeting. Listeners were assured by director of education Eric Runnacre that "in Hastings county we had the courage to face this, to see the need to

communicate with each other." Trustees split into three committees to investigate the courses of study. One considered elementary schools, another secondary schools, and the third interviewed personnel from universities, community colleges and business and industry. Elementary school teachers, they found, wanted more "skill training," more emphasis on reading, writing and arithmetic. Secondary school teachers complained that the number of lesson hours devoted to English

had been cut down. And employers said young employees couldn't spell, read or write.

"If English is so weak, what is going to be done about it?" demanded a teacher.

MacDonald Smith, vice-chairman of the board assured her that the ministry of education "was going to take a real look at this, this fall."

He intimated that the ministry's "no compulsory subjects" edict was about to be reversed. The direction of education may change, suggested trustees and former board chairman, James Clarke. He appeared to be echoing the prevailing feeling of the 245 people present when he said the educational pendulum had swung to an extreme and it was time for it to "swing back a little, toward more regimentation, more restrictions, more prodding of pupils."

"If we come back a step, but not all the way, our students may take more interest in finishing a job and have better reading, writing and spelling."

A POEM FOR DOMINION DAY

By M. Broadworth

There's a lovely Land we call our own,
that spreads from Sea to Sea;
And her vast Domain portrays in awesome vein
her Creator's majesty.
From the Arctic snow of the Archipelago -
to where the Great Lakes' waters lie,
From the Rockies' proud boast to the Atlantic coast
Her wealth and splendours vie.
The Master's touch on her bosom lies -
And on a turbulent mountain stream,
Or in some quiet place crowned with beauty and grace
that fulfils all our fondest dreams.

"Oh, Canada! Our Homeland dear!
We pledge our allegiance to thee,
And ever thank our God for this our Native Sod,
and for the flag waving proud and free."

LOCAL TEACHER RETIRES

Mrs. Burton Morton, teacher at the Stirling Senior Elementary School, retires on Friday after 27 years of teaching in the county. At the annual

start party in Belleville on Friday night, Mrs. Morton was presented with a bouquet of roses by her family and an oil painting and purse by the

staff of the Junior and Senior elementary schools.

Graduation

Miss Patricia Wilson, daughter of Mr. and Mrs. W.E. Wilson, R.R. 4, Marmora, recently graduated from the Cawawa General Hospital School of Nursing. She attended Stirling and Centennial High School. She will join the staff of Toronto General Hospital in September.

Youth killed

Murray Joseph McFaul, 18, of R.R. 4, Marmora, was killed early Sunday morning when the car he was driving went out of control and struck a tree.

Mr. McFaul was alone in his father's car, driving north on Highway 14, a mile and a half south of Harold, when he rounded a curve, left the road, went into the east ditch and hit the tree.

He was pronounced dead by Coroner Dr. H.G. Parkin of Marmora.

Mr. McFaul was the son of Mr. and Mrs. Gerald McFaul, R.R. 4, Marmora. Officers of the OPP said the car was a write-off.

Teacher retires

Mrs. Burton Morton, with 27 years teaching experience, can certainly say she has seen changes in the field of education. From the small one room country schools to the large senior elementary school, from teaching in all subject areas to teaching in three subject areas.

Mrs. Morton has been a first hand witness to the changing roles of teacher and student in education.

On Friday night, Mrs. Morton was honored at a dinner in the Park Room of the Four Seasons Hotel in Belleville by the staff of the Stirling Senior and Junior Public Schools.

Special guests at the annual staff party were Mr. Morton and family, Mr. and Mrs. Wayne Reid (daughter Lois), Mr. and Mrs. Gordon Morton, and Mr. and Mrs. Doug McIntosh (daughter Muriel), Mr. and Mrs. Frank Tate, Hastings County Board of Education superintendent and Mr. and Mrs. Donald Williams, Board Chairman. Mr. and Mrs. Ray Kanan, Mrs. Morton's daughter, Mildred were unable to attend the dinner.

Tribute was paid to Mrs. Morton by Frank Tate and Donald Williams from the board of education during the evening's program.

An "Ode to Grace Morton" was sung by the Stirling Starlings, a group of men teachers from the school. A bouquet of roses was then presented to Mrs. Morton by her daughter, Muriel McIntosh and her husband.

A very appropriate address was given by Mrs. Glen Heath, a math teacher at the senior school. Mrs. Bruce Bell from the Junior School presented Mrs. Morton with an oil painting and purse. The painting was done by Mrs. Chelba Fargy, a teacher in the Junior School. Mrs. Morton then responded to the presentations.

Comments were then forwarded by Mrs. Fargy, George Patton, principal of the school; Ed Fleming and Jim Graham. A letter was also read to Mrs. Morton from her daughter Mildred and husband who were unable to attend.

Earlier in the evening, a presentation was made by Mrs. W.R. Wood to Mrs. Craig Watson, Mrs. Bert Jones, Belleville Road. Mrs. Watson will no longer be teaching music at the school as they will be taking up residence in Belleville.

Mrs. Morton started teaching with the Peterborough County Board of Education. She taught two years at SS No. 3 Belmont, four miles east of Havelock and three years at SS No. 7 Asphadel, east of Norwood. She moved to Rawdon Township and taught for six years at Wellman's Corners School, SS No. 8. She moved a little further south in the Township to the Allan School House, SS No. 3 where she taught for 12 years and four months until the school was closed. She has taught grade eight at the Stirling Senior Elementary School for the past four years. Mrs. Morton has specialized in Art, History and English.

On Monday afternoon, Mrs. Morton was honored along with other retiring women teachers at a tea at the Madoc Public School Library by the Ontario Woman Teacher's Federation. On Tuesday afternoon, Mrs. Donald Rodgers, a teacher at Stirling held a tea to pay tribute to Mrs. Morton.

New TV tower being built

Construction of the satellite television tower, which later this year is expected to be broadcasting C.T. network programs originating in Ottawa, is under way near Mount Pleasant, south of the Stewey Station in Prince Edward county.

Site preparation is under way and the main 600-foot tower is expected to be erected within the next month.

Pending final approval by the Canadian Radio and Television Commission, the satellite station is expected to go into operation in the autumn.

The satellite station will broadcast a signal over the Quinte area on channel 6 as soon as the present channel 6 CBC station in Toronto switches to channel 5.

Were you there?

By their almost total absence last Wednesday night, Stirling residents in effect did two things - approved the town's official plan and indicated they really don't care how council spends in excess of \$10,000.

Planning is something little understood by many people and its complexities regarding zoning, and land uses, and other related definitions can only be fully appreciated when there is some one present who can explain what is intended. This person, representing the consulting firm that drew up the plan, was present and did answer some relatively minor question of the five ratepayers and the municipal officials who were present.

One must concur with the attitude and comments of the Reeve when he apologized to the consultants for lack of attendance. It seems a little ridiculous to spend money for a meeting that taxpayers won't attend.

The other facet of this problem is what makes the situation even more ridiculous - the people who were not there will be the first to complain, and be the most vocal, when they want something done and cannot understand why it can't be done immediately.

What happened Wednesday is that development of the village in all aspects has been put on an official basis. There are certain places where building or expansion will be allowed and where it will not. There will also be certain businesses allowed in specific areas and other places that will be left for residential or other development. What matters is that under the plans that have been approved citizens are no longer free to just build as they wish. This may seem like restriction on private enterprise, but really it isn't.

Planning is not something that happens overnight, and when it does come into force, it can cause much misunderstanding and even hard feelings at times. Planning is something that is important to every community as it helps control requirements for school, water and sewage facilities and all other facets of growth. It may be resented as unnecessary, but looking around the province, and seeing how some areas have been badly developed, it must, in the long run be a good thing.

Stirling is now in the planning game very deeply. There are still one or two minor hurdles to be overcome, but in a few months, the guidelines will be there and must be followed. Those who had no voice in the decision have no right to complain, but they probably will.

FIVE HOMES THAT NEED SIDING

Five local homeowners will have the opportunity to eliminate outside painting permanently and beautify their property at a substantial reduction with the new 1972

SOLID VINYL SIDING
PIONEERED BY B. F. GOODRICH COMPANY

Engineered to eliminate denting and noisy defects of old style metal siding, this new product is laboratory tested twice, strong as any other metal siding and provides excellent winter insulation.

Reinforced by a color thickness 30 times of spray aluminum finishes, it renders a beautiful textured appearance, restoring the home to the traditional colonial style.

As an introductory offer, the authorized dealer will renovate 5 homes at a reduction of 25% of nationally advertised price as advertised in Better Homes and Gardens, Life Magazine.

This offer is being made to familiarize property owners with new advances in exterior building products. 100% Financing. No Down Payment.

Trained Dealer Mechanics install the panels right over outside walls, with nothing to remove. The completed work duplicates the natural beauty of wood without its defects, while eliminating the cracking, peeling effects which have disappointed owners with wood, asbestos and aluminum siding.

Qualified home owners desiring to take advantage of this special offer should call collect: (519) 672-3313.

On Tuesday forenoon last Mr. Wm. Gould's residence, on the south side of the village, took fire on the roof, no doubt from sparks from the chimney. An alarm was raised, but the blaze was soon put out by some neighbors.

A Weekly Meditation

By REV. JAMES F. MCGARVEY
St. James the Minor Church

No one need ever feel alone for God is ever present and is so willing to be welcomed into their being. God's concern for mankind is in part recorded in Scripture. God has never abandoned man. He values each of us individually and collectively.

In the Book of Exodus we read: In those days: The sons of Israel set out again; and when they reached the wilderness of Sinai, there in the wilderness they pitched their camp;... Moses then went up to God, and the Lord called to him from the mountain, saying "You yourselves have seen what I did with the Egyptians, how I carried you on eagle's wings and brought you to myself. From this you know that now, if you obey my voice and hold fast to my covenant, you of all the nations shall be my very own for all the earth is mine. I will count you a kingdom of priests, a consecrated nation." God was with His people and showed His great concern for them.

In Romans we read: "but what proves that God loves us is that Christ died for us while we were still sinners. Having died to make us righteous, it is likely that he would now fall to save us from God's anger? When we were reconciled to God by the death of his Son, we were still enemies; now that we have been reconciled, surely we may count on being saved by the life of his Son. Not merely because we have been reconciled but because we are filled with joyful trust in God, through our Lord Jesus Christ, through whom we have already gained our reconciliation."

In the next four years, something like \$105 billion will be spent on controlling air and water pollution and waste disposal.

Of course this U.S. Government figure includes more than pollution controls. It also includes changes to cleaner industrial construction, waste pollution control. Now the amount is up to four percent and by 1980 it is expected to rise to 16 percent.

In Canada, and estimated \$5 billion will be spent on pollution control between 1970 and 1980, with \$800 million already committed to air pollution control in Ontario, according to Environment Canada.

Our environmental house-keeping is an expensive proposition.

Bethel UCV

The regular June meeting of Bethel U.C.W. was held at the home of Mrs. E. Broadworth, Stirling. The vice-president, Mrs. E. Ketchen welcomed the ladies and opened the meeting with the poem "God's Garden".

Mrs. I. Saries led in the worship service on the theme, Duty. She said, "I slept and dreamed that life was beauty, I awoke and found that life was duty."

The hymn "Pass me Not" was sung with Mrs. H. Elliott as pianist. Mrs. M. Johnston read the scripture taken from St. Luke 15. Mrs. O. Jackson read the story of the shepherd girl who tended the flock and found the beautiful jewels of the king. They hymn, "I need Thee every hour" was followed by prayer by Mrs. Saries.

Mrs. Saries conducted the business session. The roll call - a verse containing the word Father, was answered by 30 members and visitors. Mrs. F. Reid read the minutes of the April and May meetings. The correspondence was read and discussed. Several "shut-in" calls were reported. Mrs. Carlisle gave a brief summary of the Presbyterian meeting held in Belleville. Plans were made for catering at Hord's Sale. The offering was received and dedicated with prayer.

Mrs. E. Sine chose Angola as the chapter from the study book. She told us the story of Dr. Sid Gilchrist who worked among the lepers for a number of years. Later he was more interested in preventative medicine. One of his prescriptions was T.L.C. - tender loving care. Mrs. Carlisle read a poem, "Have I? Miss Kathi Ketchen played two piano selections, "This Land" and "It is no Secret". Mrs. O. Lightle had a contest, "Know Your Birds". Several of the ladies passed the test with honors. Mrs. Ketchen thanked the hostesses and those who helped with the meeting in any way. A social cup of tea was enjoyed.

Horticultural society holds regular meeting

(By Mrs. Percy MacMullen)

The monthly meeting of the Stirling Horticultural Society was held Monday afternoon, June 19, in St. Paul's United Church hall. There were 38 people in attendance.

A large display table depicted part of the displays that had been taken to the annual convention at Kingston. This included various unique Christmas decorations, articles fashioned from plastic and styrofoam, also antique vases filled with summer blooms.

Mrs. Floyd Armstrong, president, opened with the Lord's prayer, the Gardener's prayer and read a song poem written by Philip Dods, provincial president. This selection had been chosen as the theme song.

Mrs. John Doran read the May minutes and the correspondence.

The group signed the register. Mrs. Grant Hubble presented the financial statement. There are 187 paid members. The flower beds have been planted and other garden work completed. All of the expenses to date were authorized to be paid.

Each member of the group was given a seedling of a plant "sensitized" which sleeps at night. These were donated by Ernie Seeds of Brighton and given to Mrs. C. Nix for distribution to the members.

Plans for the observance of the 75th anniversary of the Horticultural organization were discussed. The last Sunday in August was suggested for a church service and the president was appointed to make the arrangements.

It was suggested that the members make a special effort to

exhibit flowers at the fall fair, considering that there wasn't a flower show in June.

Stirling Horticultural Society was organized in 1897 and Mrs. Boddick was the first president and the membership was 51.

J. B. Belsaw was president from 1916 to 1938 and Fred Houchin from 1939 to 1947. Mrs. Armstrong has been in office since 1961.

It was also suggested that the last meeting of 1972 be held on Monday evening, November 20 at 6:30 p.m. with a pot luck dinner and a program. Miss Gena Spry will convene the group of directors, who will make the arrangements and the November group will plan the program. One member has volunteered to type the invitations.

Invitations were received to attend a meeting of the Horticultural Society at the H.J. Clarke School. An invitation was received concerning the Rose Show at Centennial Secondary School, July 1 and 2, 2 p.m. to 10 a.m.

HIGHLIGHTS OF THE CONVENTION
The Ontario Horticultural Association held their 66th annual convention at Grant Hall, Queen's University, Kingston, on June 15, 16, and 17.

Those who attended all of the sessions were Mrs. Floyd Armstrong, Mrs. Grant Hubble, Mrs. Ashley Brooks, Mrs. Ray Rose, Mrs. George Heasman, Mrs. Harry Jeffries and Mrs. Harold Milne.

Those who attended on Thursday were Mrs. Dennis Armstrong, Mrs. Ivan Caldwell, Mrs. Milford Wrightman, Mrs. Luella Bronson, Mrs. Raymond McConnell, Mrs. John Morgan and Mrs. Dave Hollinger.

The theme was "International Understanding through Horticulture."

The president, Philip F. Dods, Cherry Valley near Pictou, composed a special poem which was sung to the tune "Doxology." This was chosen as the theme song of the convention. Several other folks wrote songs poems regarding gardening and flowers in the special competition during the year and these were arranged in a song sheet for the delegates by Mrs. Pictou Horticulture Society. The theme song is as follows:

Praise God for gardeners everywhere
They make the earth so bright
And fill it with life and cheer
Good fellowship, it reigns supreme
Where gardening is a common theme
All people that on earth do dwell
Should flower plant and gardeners grow
To beautify the land we love
And satisfy the mind and soul.

Mrs. Armstrong and her group from Stirling went to Roden Park greenhouse on Thursday morning. The 830 corsages were taped and placed in boxes and on Friday morning the ribbon was arranged in readiness for the delegates. The Stirling ladies had previously prepared the ribbon bows. The articles were then placed on the display table at Victoria Hall.

The afternoon program on Monday was opened with the singing of a few of the conference songs under the direction of Mrs. Ray Rose and Mrs. Harry Waite, with Mrs. Harold West as pianist.

Mrs. Armstrong, Mrs. Grant Hubble, Mrs. Ashley Brooks and Mrs. George Heasman gave interesting highlights of the convention. The early bird program on Thursday included a boat tour of the Thousand Islands. Six folks from Stirling left by bus at 3 p.m. and later enjoyed a smorgasbord supper. The flower show opened at 7:30 p.m. at Victoria Hall. Later at Grant Hall, an ethnic program was presented with Tom Higgs as master of ceremonies. It was called international night and was a variety.

lety of dance numbers from Africa, India, Scotland, Ireland, Switzerland, Greece, West Indies, also a young people's band and a group of Kingston ladies who rendered vocal selections. There were other attractions that afternoon which included a tour of the Queen's University grounds.

On Friday morning Robert Patterson, district director, welcomed delegates, which included 100 members of the men's club of Des Moines, which represented the United States. They presented a stars and stripes flag to the convention. The American Bonsai Society gave a message re the art of growing miniature trees which are only 18 inches in height.

The banquet was at Leonard Hall on Friday evening and George Spader of Syracuse, N.Y., was the special speaker. Later that evening Phil Dods sponsored a party for the V.I.P.s and Stirling was invited. On Saturday morning the group enjoyed a bountiful breakfast at 7:15 a.m.

A. J. Peppin, Ontario Minister of Agriculture and Food, Toronto, gave the 1971 photographic competition awards.

The Royal Botanical Gardens won with their Peace Rose. Other awards were made for Winter Wonderland, a cottage near Cobourg, Strolling Through The Park, Back In Your Garden and Little Prints.

Bob Keith, Ontario and Quebec gardener, chose as his subject, "Roses - The World Over." He said that Italy exports 70 million cut roses in one year. His floral roses were they climb up trees to a height of 40 feet in the gardens at Hamilton.

The newly elected president, Mrs. Ruby Bryon, English, Ont., was presented with her chain of office and Phil Dods was honored with many tributes. There were 15 resolutions and one in particular resolved "that rose trees be saved if possible and, if not, plan to plant new ones."

The noon meal on Saturday was smorgasbord style at Leonard Hall.

The reports were very informative and gave a splendid outline of the highlights of the three days.

The group then enjoyed a social hour seated at long tables where Mrs. Edward Plamater and Mrs. Jean Lyle conversed the refreshments after which Mrs. Harry Jeffries voiced appreciation.

The next meeting will be held the third Monday in September in St. Andrew's Presbyterian Church hall.

Local and Personal

Miss Shirley Flood, Miss Rose Craig, Mrs. Dorothy Taylor and Mrs. Doris Howie, R.N.'s at Belleville General Hospital left Saturday from Toronto International Airport for Edmonton to attend the Canada Wide Registered Nurses' Convention. Following the convention they will take a two day tour of Banff and Lake Louise and return home July 3rd.

Miss Anne Maguire, 116 Henry Street, left last week to work in Banff for the summer months.

COUPLE MARRIED

50 YEARS AGO
On Sunday, June 25, Mr. and Mrs. Harry Ketcheson of Clover Leaf Drive, Belleville, were tendered a surprise party at the home of the nephew, Mr. and Mrs. James Hoard, R. 3, Stirling on the occasion of their 50th wedding anniversary.

Mary Alexander, (Mollie), daughter of Mrs. James Park, was united in marriage to William Henry Ketcheson, son of Mr. and Mrs. John Ketcheson of Thurlow Township, at the home of Mrs. Park in Stirling.

Following a trip to Quebec, Montreal, and the Saguenay, the happy couple took up residence at the Ketcheson farm home, where they spent most of their married life.

Upon returning they took up residence on Cloverleaf Drive, Belleville.

On arrival, they were presented with flowers for the occasion and were surprised to find a table appointed with a three-tiered anniversary cake, pictures and mementoes of their wedding day.

After the buffet dinner, they received messages of congratulations from heads of government, and personal greetings from Thurlow Reeve, Horace Casey and Mrs. Casey.

Those attending were Mr. and Mrs. James Hoard and family; Miss Ann Robertson; Ross Hoard; Mr. and Mrs. Robert Hoard and family; Mr. and Mrs. John Flezier and family; Miss Nicki Everand and Mr. and Mrs. John Flezier, Jr.

Wellman's WI holds meeting

Mrs. W.C. Cox was hostess for the June meeting of Wellman's Women's Institute with an attendance of 14 ladies and four children.

Mrs. John Carlisle welcomed all and opened the meeting with the Institute Ode and Lord's Prayer.

The roll call was "In character" the result of mental attitude habits formed in the home. Correspondence, read by Mrs. Gerald Russell, included thank you notes from the family of the late Walter Scott and Miss Virginia Pollock and notice of the next 4-H Homemaking Club. Mrs. Ross Kline has consented to be leader again of this girls' club. Happy birthday was sung for Mrs. Gerald Clancy. Current events were reported by Mrs. J. Sager.

Mrs. Douglas Clancy gave the motto "Let us remember that idleness and poverty is a cause for shame, and to value the dignity of work at home and the community."

Mrs. Gerald Clancy gave a report of the Hastings North District Annual held at Boulder.

Mrs. Bruce Stapley, convener of Family and Consumer Affairs, was in charge of a very interesting program. She explained the purpose of the Consumer's Association of Canada, then led in a discussion on Consumer Affairs on subjects including budgeting, attractive sales advertisements, discount savings, importing of out-of-season fruits and vegetables, and buying only Canadian grown or manufactured products.

Mrs. Kenneth Tompkins read a paper entitled Cosmetics or Drugs and Mrs. Omar Dracup read one about Patent Medicines.

Each member had been asked to bring her most precious piece of needlecraft, china or picture. The meeting closed with the Mary Stewart Collect and God Save the Queen.

Refreshments were provided by the hostess and her assistants, Mrs. Kenneth Tompkins, Mrs. Omar Dracup and Mrs. Jim Pollock.

A FORUM ABOUT MATURE WOMEN

Regaining Her Confidence
Dear Margaret Brookfield:

I'm 41 years old and a housewife. At this point in life, I feel dull, boring and uninteresting to myself and my family. Mind you, they're not complaining, but it is depressing to me. I guess I should be creating new interests and hobbies for myself. But what I need most is to regain my confidence. I wish I knew how.

Dear H. J.:
Why not begin by taking a deep breath and considering the things you were once interested in, but never seemed to have time for? Make a list of these interests. Did they involve volunteer work or certain jobs? Next, consider how these interests might be implemented. Do they require outside reading, or time in the library? Are there people you might talk to about them? Should you be taking some extension courses or correspondence courses related to these interests? Once you start pursuing these interests, you'll find that your confidence will grow. In fact, you could become so involved with these interests, you won't even have time to think about whether you have been doing well or not. And that, pretty much, is what confidence is all about.

Confused and Disappointed
Dear Margaret Brookfield:

You seem to have the right advice for people, so I wonder if you might have some for my daughter. She's 24, has a daughter of her own, and lost her husband more than two years ago.

Happenings at the Towers

Recent visitors at the Stirling Towers Nursing Home included: Mrs. Barbara Winters, Bill Conley and Mr. and Mrs. George Carlisle to see Charlie Conley.

Mrs. Tom Young and her daughter and husband and Mr. and Mrs. Bill Burke of Port Hope with Mr. Young.

Mr. and Mrs. Hugh Lyons and son with their grandmother, Mrs. Danford.

Jim Chambers with Roy Thrasher and Mrs. Mary Demore.

Mrs. and Mrs. Bob Hulin with Mrs. Nora Stapley and Wes Hulin.

Kevin Ackers, Brenda Hay and Vickie Potter with their grandmother, Mrs. Annie Ackers.

Jack Grant, Crowe Lake, with his sister, Mrs. Wallace McInroy. Also with Mrs. McInroy were Mrs. Stan Schewe and daughter Mrs. Mike Miller from Michigan, U.S.A.

Mr. and Mrs. Mel Tanner, Mr. and Mrs. George Lyons, Mrs. Mae Clarke and Mrs. Doris Prentice with their mother Mrs. Danford.

Mrs. Murney Johnston with her uncle Roy Thrasher. Also Mr. and Mrs. Milton Shaw, Wayne Shaw and daughter Kelly with Mr.

DOLLARS & GOOD SENSE

(By WILLIAM J. MARTIN)

Dear Mr. Martin:
We keep hearing about the rise and fall of the Dow Jones Average whenever the stock market goes down. Can you tell me what this really is and what it means, please?

G. H.

Dear G. H.:
Good or bad, most newsmen find it easier and a lot quicker to report what happened to the Dow Jones Average of 30 industrial stocks each day than to report the changes of individual stocks. It has come to pass that the Dow Jones Average seems to represent the entire stock market in the minds of millions of people.

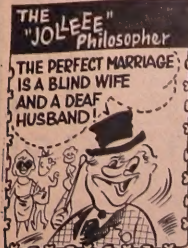

First of all, it's pretty hard for just 30 stocks to represent the thousands and thousands of publicly held companies of North America. They are not even representative of the 1500 stocks

listed on the New York Exchange. Back before 1900, the average was indeed an average of the stocks that were listed on the New York Exchange. A simple reference point to the entire listing, but nothing stays that simple for long in the financial world.

Stocks split and adjustments had to be made for the average to reflect this. The current divisor is 1.561 which turns the average into an index figure. It doesn't take a big change in stock prices to cause wide swings in the Dow Jones listing. Today, there are many critics of the index since it is not truly representative of the entire market. It is not even composed of all industrial stocks.

So the Dow Jones Average is an index figure based on the fortunes of 30 primarily industrial stocks listed on the New York Stock Exchange. It is a general guide to the market but should not be considered an accurate reflection of stock activity.

The market can drop and your stocks can rise and vice versa. If you really want to get a better index of the market, check the Standard & Poor's index of 425 industrial stocks or their separate index of 500 general stocks.

Among the Books
At Stirling Public Library

Stirling Public Library reminds readers that the Library will be closed for the summer holiday from July 11th to 22nd inclusive, reopening on July 25th, 1972. For summer holiday reading, we have many new mysteries on our shelves, as well as books for many other activities or moods. Some of the new titles include "Seven seats to the Moon," and "The Balloon Man" by Charlotte Armstrong; "Inspector's Holiday," by Richard Lockridge; "Three's a Crowd" by Doris Miles Disney; "The Unfinished Club" and "A Blunt Instrument" by George Hoyer; "When in Rome" by Nagio Marsh; "An Improbable Fiction" by Sara Woods; "Remote Control" by Harry Carmichael; "Hunter in the Shadows" by Jennie Melville; "The Shakespeare Curse" by John Boland and "Miss Seaton

Draws the Line" and "Witch Miss Seaton" by Heron Carvie.

Other titles are "A Woman in the House," the story of a strange love, by William E. Barrett; "The Throne of Saturn" by Allen Drury, a novel of space and politics; "Angle of Repose" by Wallace Stegner, bringing to life the growth of the American West; "The Little Wax Doll," a tale of modern witchcraft by Norah Lofts; "The Secret Woman," another spell-binding story by Victoria Holt; and "The Sixth Wife," a novel of the Court of Henry VIII, by Jean Plaidy.

Boys and girls will find stories of all kinds, as well as books about summer activities and hobbies, and we remind you that this week is "Canada Week" and your library is a good place to come to find answers to your questions about all parts of Canada, and the people, past and present, who shape her destiny.

Come in and browse through our shelves - Happy Reading and Happy Holidays!

"Best convention yet" sums up
66th Ontario horticultural annual

"One hundred and eight years ago the Agricultural Society was formed at Niagara-on-the-Lake. Sixty-six years ago the Ontario Horticultural Association which now has 45,000 members and 232 branches was formed.

The association spends \$250,000 annually of which only \$50,000 is received in government grants. This money is used mostly to beautify the province," stated President Phil Dadds. Pictou, as he addressed what was undoubtedly the biggest and best convention held at Queen's University on June 15 to 17.

It was the first of the 66 annual conventions to be held in District 3.

The untiring efforts of those in charge of the various committees, the excellent facilities of Queen's University, Victoria Grant, Chown, Leonard and Ban High Halls being used, together with the excellent service by employees of the university provided a convention long to be remembered by approximately a thousand delegates. These were augmented by the good humour of President Phil Dadds of Pictou at his jovial best.

From early Thursday morning, while the Kingston Horticultural Society was setting up its flower show which included entries for District 3 as well as for any society in Ontario, the welcoming committee was on hand to make delegates feel they were among friends upon arrival.

At the same time other groups were busy setting up exhibits, displays and decorative arrangements, setting the stage and pace for the enjoyment of the delegates for the duration of the convention.

This was followed by a tour of Queen's University grounds, the herbarium and greenhouses and Bellevue House, once the home of Sir John A. Macdonald.

Grant Hall was filled to capacity on Thursday evening when ten ethnic groups, the school band from Loyalist Collegiate and Vocational Institute and the Sweet Adelines all of Kingston provided a wonderful evening's entertainment.

This was followed by a coffee hour in Victoria Hall where gallons of coffee and approximately 5,000 home made cookies were consumed.

This concluded the "Early Bird" programme in charge of (our) District 3.

Friday morning, following breakfast in Ban High Hall, registration opened in Grant Hall, with special welcomes, introduction, memorial program and the like, the special speaker being Lyman E. Duncan, Des Moines, Iowa, Executive Secretary of the Men's Garden Clubs of America. Members of the club attended the convention holding their own separate meeting on Saturday morning.

This club originated in 1932 for the purpose of creating a "Cleaner Greener Land."

It works with adults and with juniors as well. Community gardens are of interest among the young, school programmes with junior achievement days, fragrance gardens, planting both sides of streets, increasing civic pride, especially with manufacturing establishment plantings, cultivating native plants in danger of extinction, judging schools, magazine publication, help for societies, seed exchanges, bulletins and such among their interests.

Various reports and presentations were followed by five-minute addresses on How to Increase Membership by Mrs. Jean Gable, of Barrie. Additional Service to the Community, Clyde Soule, Guelph. Tool Lending Programme, D. K. Marshall, Deep River. Trillium Awards, Cecil Becker, Belleville. District Flower Shows, Wm. M. Cavaye, Ottawa. Fund Raising Projects, Wm. J. Packham, Burlington and Public Relations by Gordon Wicks, Brockton.

Bonsai, the art of dwarfing trees to make them look like aged trees, as practiced by the Japanese centuries before the time of Christ, was explained by Mrs. Betsy Armstrong of the Ontario Bonsai Society, using both live plants and slides.

Roadside decay was discussed by Malcolm Kirk, Resources Manager of Grey North Conservation Authority, who also illustrated his talk with slides.

A walking tour of the university grounds, and a bus tour of the Kingston area added much interest to Friday afternoon's programme.

A highlight of the convention was the banquet in Leonard Hall on Friday evening with Phil Dadds the retiring president as master of ceremonies. Joviality and good fellowship prevailed throughout the evening, with George Spader of Syracuse, New York as guest speaker.

On Saturday morning winning slides in the Photographic competition were shown. Bob Keith the Ontario and Quebec gardener of radio fame gave an illustrated address on "Roses the World Over," while Dr. Leslie Laking of the Royal Botanical Gardens, Hamilton showed pictures to illustrate the topic "Horticultural Organizations and the Community."

A Royalty crab tree was planted by the president Phil Dadds and the Principal of Queen's University Dr. John Deutsch on the university grounds.

Among other interesting events at the convention were singing songs, a prize being presented for words written for the song judged the best for the convention.

The Kingston Horticultural Society's Flower Show was greatly enjoyed and along with their prizes, were those for the best limerick and the best logo for the convention.

Exhibits by florists, various companies and individuals added interest throughout the convention as well.

A smorgasbord in Leonard Hall at which the chain of office was presented to the incoming president, Mrs. Ruby Bryan of Englehart and the singing of Old Lang Syne concluded the greatly enjoyed 1972 Ontario Horticultural Convention, with the 1973 convention slated to be held at Guelph in June.

Youth injured

A Stirling youth was injured Sunday afternoon when a collision occurred Sunday afternoon in Stirling between the motorcycle he was riding and a small model car.

Paul Jones, 17, son of Mr. and Mrs. Bert Jones, Belleville Road, was taken to Belleville General Hospital suffering a broken left

wrist, a fractured right shoulder, a gash on his right hand and various scrapes and bruises. Paul was travelling westerly on Front Street when the collision occurred with a car pulling onto Front Street from North Street. Driver of the car was Ross Parks, 18, Rm 7, Belleville.

Paul's helmet which he was wearing is believed to have saved his head from injury.

The mishap occurred at 3 p.m.

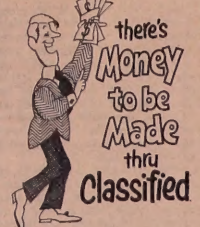

PLACES SECOND

Sunday afternoon Glen Floud and his horse, Telstar's Rhythm, were awarded Reserve Grand Champion Gelding at the Ontario Quarter Horse Promotional Club, District #4, Trenton, and also placed second in the class of aged geldings.

ODC grant

Stegg Electric Limited of Belleville has been granted an Ontario Development Corporation loan of \$35,500 toward the cost of a plant expansion according to an announcement by the Minister of Industry and Tourism, John White.

The company manufactures and assembles electromagnet relays and precision screw machine products and will use the loan to build and equip enlarged plant facilities, replacing the present premises. Expansion is expected to add about 12 new jobs during the next five years.

IN MEMORIAM

ROLLINS - In loving memory of a dear father and grandfather, Mr. Clarence Rollins who passed away on July 3, 1971.

His smiling way and pleasant face Are a pleasure to recall; He had a kindly word for each And died beloved by all.

Some day we hope to meet him, Some day we hope to meet him, To clasp his hand in the better land, Never to part again.

Ever remembered by Paul and Marie, Don and Carolyn and grandchildren Allan, Ann and Kevin. 26-1

ROLLINS - In memory of my husband, Clarence B. Rollins who passed away July 3, 1971. When evening shades are falling, And I sit in quiet alone, To low heart there comes a longing, If he only could come home. Friends may think I have forgotten, When at times they see me smile, But they little know the heartache, My smile hides all the while. Always remembered by his wife Bernice. 26-1

NEAL - In loving memory of our dear father and mother, Mr. and Mrs. Melvin R. Neal, who passed away Feb. 23, 1947 and June 29, 1965. There is a link death cannot sever, Love and remembrance last forever. And while they sleep a peaceful sleep, Their memory we shall always keep. Sadly missed and lovingly remembered by their family. 26-1

REID - In loving memory of our dear son and brother, Bern Douglas Reid who passed away June 27, 1971. Take him in your arms, dear Lord, Cherish him with care, Make up for all he suffered And all that was unfair. Lovingly remembered by Dad and Mom, Brothers and Sisters. 26-1

CARDS OF THANKS

I would like to say a sincere thank you to all my friends, relatives and neighbors for their flowers, gifts, cards, letters and calls that I received while a patient in Belleville General Hospital and since returning home. I would like to especially thank the doctors, nurses and staff on 3rd level for their kind, efficient care. Rev. May for his visits, the M.T.C. for their box of fruit and candy, the River Valley Women's Institute for their gift-a-day box, the ladies who sent baking to my family, the boys grandparents for their many hours of baby sitting and the fellow patients who gave me a wonderful surprise farewell party. My wish for each of you is good health and happiness. Sincerely, Marilyn Brooks 26-1

May these few words convey sincere thanks to our friends and neighbours for the pleasant evening and the purse of money presented to us. We will always cherish many memories of the years spent in Eglington Community. We extend a warm invitation to visit us in our new home, "In the rush of daily living, and the pressures that descend, Let us thank God most especially for the fellowship of friends." Rosella, Maurice, Lloyd and Lyle Clancy. 26-1

I would like to express my sincere thanks to all who sent cards, flowers and gifts to me while a patient in Belleville Hospital. Also a special thanks to my family and neighbours for their kindness to my wife, to Dr. Bates, Briggs, Matheson and Dr. Lyons and staff on the seventh floor for their kindness and efficient care. All was appreciated. 26-1 Joe Irish

A very sincere thank you to all our neighbors, friends and relatives for all your special kindnesses at the time of our father and husband's passing. Mrs. Earl A. Morrow 26-1

I would like to say many thanks to my friends and Spring Brook W.I. for cards and phone calls, since the death of my sister, Mrs. Andy Priolo (Mary Evelyn Forsyth), North Bay, Ont. Thanks again. 26-1 Mrs. Myrtle Cassidy

Mount Pleasant News Notes

(By Mrs. Percy MacMullen)
Mrs. Oscar Merrick, Mrs. Milford Wrightman, Mrs. Percy MacMullen and Mrs. Grant Hubble represented the Mount Pleasant group on Monday at the meeting of Stirling Horticultural Society.

Mrs. Harry Thompson is holidaying with Mr. and Mrs. Mac Sharp and Kenneth.

The U.C.W., under the direction of the June group sold refreshments at the auction sale of Mrs. Edna Sharpe on Saturday, June 24.

Mrs. Robert Hoard, Mrs. Don Campbell, Mrs. Jim Wallbridge and Mrs. Grant Hubble represented the U.C.W. on Wednesday afternoon and were in charge of the Coffee Shop at Hastings Manor, Belleville.

A family gathering was held at the home of Mr. and Mrs. Ronald Williams in honor of Mr. and Mrs. Allan Newman and son Mark of Dartmouth, Nova Scotia. The guests included Mr. and Mrs. Carman Reid and daughters, Kingston, Mr. and Mrs. Keith Williams and family, Stoney Creek, Ont. and Mr. and Mrs. Sid Williams.

Miss Brenda Williams enjoyed a holiday at Algonquin Park and Bracebridge last week.

Mr. and Mrs. Harry Ketcheson, Belleville, were honored on Sunday, June 25, at the home of Mr. and Mrs. James Hoard on the occasion of their 50th wedding anniversary. The dinner

party included the immediate family and a few friends.

James Sparling, Campbellford, who is a layman from St. John's United Church, took charge of the three services in Rawdon church on Sunday, June 18.

CHURCH HYMNARIES DEDICATED

On Sunday morning, June 25, at nine o'clock a special service was held at Mount Pleasant United Church when 27 new church hymnaries were dedicated.

The worship service was conducted by Jill McAdam, Margaret Hoard, Terry Bailey, David Jeffs and Kenneth Couch.

Rev. W. C. Cox dedicated the new hymnaries. They were presented as follows: 13 books donated by Mrs. Herb David and Miss Lenora Williams in memory of their parents, the late Mr. and Mrs. Frank Williams; the presentation was made by Miss Lenora Williams and Mrs. Ira David; ten hymnaries donated by the Sunday School and presented by Kenneth Sharp and Donald Hubble; four others were in memory of Mrs. Frank Jeffs by the neighbors, presented by Ross Hoard in memory of Ernest White, by the neighbors and presented by Mrs. Allen Reid; in memory of George Weaver by the neighbors and presented by Mrs. Stanley Williams; in memory of Mr. and Mrs. Ernest White by their family and presented by Mrs. Marguerite McMullen.

Burton Bateman was in charge of the mowing of the lawn at Hubble Hill Pioneer U.F.L. Cemetery on Saturday, June 24. Mr. and Mrs. Jim Milne, Oakville, spent a few days with their mother, Mrs. Leonard Sharpe. Miss Bonnie Williams accompanied her grandparents, Mr. and Mrs. Ray Williams to Vancouver, B.C., for a week's holiday.

MESSAGERS MEET

The Mount Pleasant Messenger group convened at the church hall on Sunday morning, June 18, Isabel Hoard presided and contributed a solo, Glenn Merrick was secretary. The theme, scripture and call to worship was given by Jo-Anne Campbell, Dale Harry and Suzanne Morgan. Mrs. Raymond McConnell gave the meditation and the junior study book.

Mrs. Ira David dedicated the offering and synopsized the senior study book.

Margaret Hoard, with Jill McAdam as pianist, practised the group with special songs for their July meeting. The children enjoyed a few games at the close of the meeting.

On Sunday morning, June 25, at 10:00 the Mount Pleasant Sunday School entertained Mr. and Mrs. George Ridley and the children of Wingfield School. The visiting group sang several songs and at the close of the service everyone enjoyed ice cream.

TODAY'S CHILD

BY HELEN ALLEN

THE TORONTO SUN SYNDICATE

AN OUTDOORS BOY

Terry will soon be five. It may not be possible to find adopting parents for this handsome youngster before his birthday, but it will be wonderful if he can be settled in a permanent home in time to start kindergarten in September.

Tall and slim, Terry has curly, light brown hair, big blue eyes and olive skin. His background is black (West Indian) and white. Terry is in excellent health but he has met most of his milestones later than average. His speech is not yet at his age level, which is frustrating both for Terry and for people who are trying to understand him.

This active boy loves to play outdoors, especially riding his tricycle. He enjoys the company of other children, though he sometimes finds it hard to share toys. He is always concerned about his own possessions — a new pair of shoes has to go to bed with him so he will be certain they will be there in the morning. Here is a lad who needs a loving, understanding family where both parents will want to spend a lot of time with him. They should be able to overlook limited information on his background, and to accept the fact that he will probably be a slow learner. There should be no other children close to him in age.

To inquire about adopting Terry, please write to Today's Child, Box 888, Station K, Toronto. For general adoption information, write your Children's Aid Society.

St. Paul's Faith Unit

Faith Unit of St. Paul's United Church Women held its final meeting of the season at the church on Tuesday, June 20. Thirty-two ladies attended, and were received at the door by Mrs. Ray Duffin. The room was decorated with bouquets of peonies. The leader, Mrs. Carman Fitchett, welcomed all and opened the meeting with a short poem. The hymn, "Come Let Us Sing of a Wonderful Love," was followed by prayer. Business included various reports. Thirty-one house calls and thirty hospital calls were made, and several cards sent. In the recent clothing drive 207 pounds were shipped to Toronto.

Under Citizenship, Mrs. A. Bush read an article on values children should be taught in the homes, and in the schools; honesty and truthfulness, thoroughness in work, kindness and compassion, courage to admit mistakes, racial tolerance, respect for law, non-violence in pursuit of one's goals, and respect for democratic rights.

A number of books were reported read. Five ladies contributed to the Birthday Barrel, and were greeted in song. Pennies for the "Mile" were also given. Bottles were available for summer collection of these pennies.

In recognition of Senior Citizen's Week, Mrs. Fitchett read "Beatitudes for Friends of the Aged."

A Devotional Period was presented by Mrs. W. Fitchett and Mrs. M. Aythart on a prayer theme, "O Master Let Me Walk With Thee" was sung, and Psalm 121 read in unison. Mrs. Aythart read some verses about the unexplained thought of a person indicating that person needs prayer, a prompting of God which should be obeyed. Those who do lead prayerful lives have an air of serenity about them.

"Be still and KNOW that I am God," we read in the Scriptures. Mrs. I. Philp sang a solo, "The Beautiful Garden of Prayer," accompanied by Mrs. H. West. Mrs. Bruce Stapley was in charge of the program and comprised several items. Relating to the recent study of Africa, Mrs. A. Brooks read about two doctors who are taking up work in the Belgian Congo. A hymn, "Amazing Grace," was sung. Its author, John Newton, was once a trafficker in slaves. Mrs. Duffin read a poem about bridge-building for those who come after. Then the ladies were divided into three buzz groups, each given a question to discuss. Group I discussed whether or not there was enough investigation into the problems of those receiving welfare. Group II discussed the place of women in the church as suggested by St. Paul. Group III discussed the leading of the Holy Spirit as evidenced in differing accounts of sayings and events in the various Gospels; and preachers in modern days speaking without preparation, but as they are led. Each group gave a short report.

Mrs. Fitchett wished all a pleasant summer, looking forward to the next meeting September. After the singing of "Blest Be the Tie that Binds," she closed with prayer.

Mrs. H. West entertained with piano selections, and a sumptuous tea was enjoyed. Mrs. J. B. Thompson expressed the thanks of all to those who served, and had taken part in the meeting.

EARL AMHERST MORROW

A Stirling-area resident all his life, Earl Amherst Morrow of R.R. 4, Stirling, died suddenly Thursday, June 22, at his home. He was 85.

Retire since 1950, he lived in Stirling for seven years and before that, at the family home, he farmed for 30 years.

He was the son of Mr. and Mrs. Charles Morrow.

Surviving are his wife, the former Carlotta Helena Salis; a son Glenn of R. R. 4, Stirling; and two sisters, Mrs. J. B. (Gertrude) Belshaw and Mrs. G. B. (Ethel) Bedford, both of Stirling.

He was predeceased by a son, Howard, and four brothers, William, George, Edgar and Arthur. Funeral service was held Saturday at 1:30 p.m. in St. John's Anglican Church, Stirling, where he was a former treasurer.

Officiating was Rev. Charles Staples with interment in Stirling Cemetery.

Mr. Morrow rested at Hogle Funeral Home until 1:15 p.m. Saturday.
